SECTION ONE: GENERAL PERSONNEL POLICIES

EQUAL EMPLOYMENT OPPORTUNITY POLICY

The Employer is committed to the principle of equal employment opportunity and anti-discrimination pursuant to Title VII of the 1964 Civil Rights Act as amended by the Equal Opportunity Act of 1972 and the New Jersey Law Against Discrimination (LAD) and all other applicable state or federal laws. Under no circumstances will the Employer discriminate on the basis of sex, race, creed, color, religion, national origin, ancestry, age, marital status, affectional or sexual orientation, domestic partnership status, civil union status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), liability for service in the United States Armed Forces, gender identity or expression, and/or any other characteristic protected by state or federal law. Accordingly, decisions regarding hiring, promotion, transfer, demotion or termination are based solely on the qualifications and performance of the employee or prospective employee. If any employee or prospective employee feels they have been treated unfairly, they have the right to address their concern with their supervisor, or if they prefer, their Department Head, the Chief Administrative Officer, or any other supervisor with whom they feel comfortable, using the complaint procedure set forth in the Policy Against Harassment set forth in this Manual.

Any employees with questions or concerns about any type of discrimination or harassment in the workplace are encouraged to bring these issues to the attention of management through the complaint procedure set forth in the Policy Against Harassment set forth in this Manual.

AMERICANS WITH DISABILITIES

The Employer complies with the New Jersey Law Against Discrimination and the Americans with Disabilities Act. The Employer will not discriminate against any qualified employee or job applicant with respect to any terms, privileges, or conditions of employment because of a person's physical or mental disability. The Employer also will make reasonable accommodations wherever necessary for all employees or applicants with disabilities, provided that the individual is otherwise qualified to safely perform the essential duties and assignments connected with the job and provided that accommodations do not require significant difficulty or expense. The Employer's nondiscrimination policy applies to all aspects of the employer-employee relationship, including recruitment, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and termination.

Definitions. The Americans with Disabilities Act defines an individual with a disability as any person who:

- (1) has a physical or mental impairment that substantially limits one or more major life activities, such as caring for oneself, walking, seeing, hearing, or speaking;
- (2) has a record of such an impairment; or
- (3) is regarded as having such an impairment.

An individual must satisfy at least one of the three prongs of the above definition to be considered an individual with a disability under the ADA. Temporary conditions, such as a broken leg, are not disabilities, nor are minor impairments, such as vision problems that are correctable with glasses.

The New Jersey Law Against Discrimination defines disability as a physical disability, infirmity, malformation or disfigurement which is caused by bodily injury, birth defect or illness including epilepsy and other seizure disorders, and which shall include, but not be limited to, any degree of paralysis, amputation, lack of physical coordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment or physical reliance on a service or guide dog, wheelchair, or other remedial appliance or device, or any mental, psychological or developmental disability resulting from anatomical, psychological, physiological or neurological conditions which prevents the normal exercise of any bodily or mental functions or is demonstrable, medically or psychologically, by accepted clinical or laboratory diagnostic techniques. Disability shall also mean AIDS or HIV infection.

A qualified individual is an individual with a disability who, with or without reasonable accommodation, can perform the essential functions of the employment position held or sought. An individual who poses a threat to the health and safety of oneself or to others is not qualified. Reasonable accommodation means any change or adjustment to a job or work environment that does not impose an undue hardship on the Employer, or that permits a qualified applicant or employee with a disability to participate in the job

application process, perform the essential functions of the job, or enjoy benefits and privileges of employment equal to those enjoyed by employees without disabilities.

Requesting Accommodation. Qualified employees or prospective employees with disabilities may request accommodations to perform the essential functions of their job or gain access to the hiring process. Employees or prospective employees should direct their written request to the Employer. In the written request, the employee or prospective employee should identify themselves as a person with a disability, eligible for protection, and identify the nature of the accommodation or consideration desired.

The Employer may require the employee to provide adequate medical or other appropriate documentation of the disability and the need for the desired accommodation. The Employer will reasonably accommodate the known physical or mental limitation of an otherwise qualified applicant or employee with a disability unless the accommodation would impose an undue hardship on the Employer's business operation.

To further the Employer's nondiscrimination policy, the Employer will:

- Identify the essential functions of a job;
- Determine whether a person with a disability, with or without accommodation, is qualified to perform the duties; and
- Determine whether a reasonable accommodation can be made for a qualified individual.

Reasonable accommodations that the Employer may provide in connection with modifications to the work environment or adjustments in how and when a job is performed may include the following:

- Making existing facilities accessible and usable;
- Job restructuring;
- Part-time or modified work schedules;
- Acquiring or modifying equipment or devices;
- Appropriate adjustment or modifications of testing materials, training materials, and/or policies;
- Reassignment to a vacant position.

The Employer is also committed to not discriminating against any qualified employee or applicant because he or she is related to or associated with a person with a disability. If any applicant or employee has questions concerning the Employer's equal employment opportunity policy, he or she should contact the Employer.

POLICY AGAINST HARASSMENT

The Employer is committed to providing a work environment that is free of discrimination. The Employer will not tolerate harassment of or by employees towards anyone, including any supervisor, co-worker, or non-employee, including vendors and citizens.

Applicability. This policy applies to all people employed by the Employer, as well as volunteers working on behalf of the Employer, and prohibits such conduct by or towards all such employees/volunteers. Independent contractors, vendors and all other parties, engaged in a professional business relationship with the Employer are also expected to abide by the policy. In addition, no employee shall be required to withstand behavior from the public which violates this policy.

Purpose. This policy is designed to ensure all employees a work environment free of any type of discrimination based upon a protected status, including freedom from sexual harassment. The purpose of this policy is to inform employees that harassment based upon a protected status is prohibited, to educate employees about harassment based upon a protected status and to provide employees with a procedure to bring complaints to management's attention.

Provisions. All employees are expected to avoid any behavior or conduct of a harassing or discriminatory nature. The Employer prohibits any form of harassment or discrimination related to an employee's protected group status, including race, creed, color, national origin, ancestry, religion, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, familial status, genetic information, sex, gender identity or expression, disability (including perceived disability, physical, mental, and/or intellectual disabilities), atypical hereditary cellular or blood trait, or because of the liability for service in the Armed Forces of the United States, veteran status, citizenship status, or any other group status protected by law. Harassment includes, but is not limited to:

- A. Treating an individual less favorably based on a person's protected group status;
- B. Using derogatory or demeaning slurs to refer to a person's protected group status;
- C. Calling another by an unwanted nickname which refers to one or more protected group statuses, or telling ethnic jokes that harass an employee or create a hostile work environment;
- D. Using derogatory references regarding a protected group status in any job-related communication;
- E. Engaging in threatening, intimidating, or hostile acts, in the workplace, based on a protected group status; or
- F. Displaying or distributing material in the workplace that contains language or derogatory or demeaning images, based on any protected group status.

Any form of harassment or discrimination related to an employee's protected group status violates this policy.

This policy applies to all employment practices such as recruitment, selection, hiring, training, promotion, transfer, assignment, layoff, return from layoff, termination, compensation, fringe benefits, working conditions and career development.

Violations of this policy will result in appropriate disciplinary action up to and including termination of employment.

Sexual Harassment. The Employer prohibits sexual harassment of its employees in any form. Such conduct shall result in appropriate disciplinary action up to and including dismissal from employment.

A. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct, gestures or communications, expressed or implied, of a sexual nature when:

- (1) Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment; or
- (2) Submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment, or
- (3) That conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's employment, or creating an intimidating hostile or offensive employment environment.

B. Prohibited Conduct: No supervisory employee shall threaten or insinuate either directly or indirectly, that an employee's refusal to submit to sexual advances will adversely affect the employee's continued employment, evaluation, compensation, assignment, advancement, or any other condition of employment. Similarly, no supervisory employee shall promise or suggest either directly or indirectly, that an employee's submission to sexual advances will result in any improvement in any term or condition of employment for the employee.

Other sexually harassing conduct in the workplace, whether committed by supervisory or non-supervisory personnel is also prohibited. This includes, but shall not be limited to:

- (1) Sexual flirtations, advances, propositions, subtle pressure for sexual activity, flirtatious whistling, discussing sexual activities;
- (2) Verbal abuse of a sexual nature including sexually oriented "kidding" or "teasing," "practical jokes," jokes about gender-specific traits, and foul or obscene language or gestures;
- (3) The display of sexually graphic pictures or pictures of an offensive nature, or objects in the workplace, including sexually suggestive written material such as letters, notes, facsimiles, text messages and e-mails;
- (4) Any unwelcome sexually motivated touching, including, for example, patting, pinching, hugging, cornering, blocking or impeding movement and repeated brushing against another employee's body.

Sexual harassment also occurs when one person harasses another solely because of the victim's gender. This type of sexual harassment may involve unwelcome sexual demands or overtures, but it may also take the form of other harassing conduct not necessarily sexual in nature. For example, this would include gender stereotyping such as comments about the lesser abilities, capacities, or the "proper role" of females. It also includes subjecting a woman or a man to non-sexual harassment solely because of her or his gender. Sexual harassment is prohibited whether the harasser is male or female, and whether the harassment is opposite sex or same-sex harassment.

Complaint Procedure. Any employee who feels he or she has been subject to harassment should report the incident directly to the designated Chief Administrative Officer/Affirmative Action Officer. The designated Chief Administrative Officer/Affirmative Action Officer will ask the employee to complete a Harassment Complaint Form. Employees, however, are not required to complete the complaint form to initiate a harassment complaint under this policy.

Alternatively, any employee who feels he or she has been subject to harassment may also report the incident directly to the Borough Attorney. The Borough Attorney will ask the employee to complete a Harassment Complaint Form. Employees, however, are not required to complete the complaint form to initiate a harassment complaint under this policy. The names and telephone numbers of the designated Chief Administrative Officer/Affirmative Action Officer and the Borough Attorney are contained in the Contact Information attached to this policy.

Any individual uncomfortable reporting an incident to the designated Chief Administrative Officer/Affirmative Action Officer and/or the Borough Attorney should feel free to go to any management representative which he or she feels most comfortable to relay the problem. When any management representative learns of a violation of this policy, the management representative shall assist the victim in reporting the alleged incident(s) of harassment.

All Employer employees should notify the alleged harasser that the behavior in question is thought to be offensive and unwelcome. However, failure to inform the alleged harasser that the behavior is unwelcome does not prevent the victim from filing a complaint pursuant to this policy. The harassment or discrimination does not have to occur on the Employer's property during regular work hours for an employee to file a complaint under this policy.

The Employer strongly encourages employees who witness conduct which they believe violates the Employer's Policy Against Harassment to report the violation pursuant to this complaint procedure. The Employer encourages the prompt reporting of complaints so that rapid response and appropriate action may be taken. Any complaint should be reported within sixty (60) days to be considered current. Nevertheless, due to the sensitive nature of these problems, all complaints will be investigated, regardless of when they are filed.

Investigation Procedure. The Employer shall conduct an investigation into the harassment complaint to determine the merits of the allegations. The designated Chief Administrative Officer/Affirmative Action

Officer and/or the Borough Attorney shall designate an objective investigator to determine the validity of any complaint. The objective investigator may include any third party deemed appropriate.

The investigation shall be completed in a reasonable time to resolve the issue and minimize the effects of such investigation on the parties involved.

In almost all circumstances, the investigation will require, at a minimum, an interview with the employee bringing the complaint and the accused.

If the Employer determines that the complaint has merit, the accused shall face appropriate disciplinary action based upon the severity of the complaint and any prior history of past charges against the individual. Disciplinary action may include a written warning, suspension, demotion, and/or termination of employment. Any disciplinary action shall be consistent with applicable collective bargaining agreements, regulations and applicable due process safeguards. Upon completion of the investigation, the entire file shall be maintained in a secure location with the Employer.

In the event that the Employer determines the complaint to be intentionally dishonest, appropriate disciplinary action may be taken against the employee who caused the complaint to be filed.

Privacy. To the extent possible, all persons involved in a harassment complaint will be given the utmost protection of privacy. Specifically, the Employer will strive, both during and after the investigation, to maintain confidentiality to the fullest extent possible, including confidentiality of the identities of all persons involved or alleged to be involved in the incident, revealing only those particulars of the matter to the extent necessary for a thorough investigation. Any employee who unnecessarily compromises the confidentiality of an investigation will be subject to appropriate discipline.

Responsibility of Supervisory Personnel. Supervisors are to monitor the work environment to ensure that all subordinates comply with this Policy Against Harassment. When a supervisor learns of a violation of this policy, the supervisor shall assist the victim in reporting the alleged incident(s) of harassment.

Alternatively, the supervisor shall report the matter to the designated Chief Administrative Officer/ Affirmative Action Officer and/or the Borough Attorney for resolution.

Retaliation Prohibited. The Employer encourages victims of harassment to bring their complaints to management by ensuring that no reprisals or retaliation will result from the good faith reporting of harassment. The filing of a complaint, in good faith, shall not, under any circumstances provide cause for discipline. Additionally, it is a violation of this policy for any personnel to retaliate against another because he or she filed a complaint or otherwise participated in the complaint procedure.

Any supervisor who receives a harassment complaint from any employee must bring it to the attention of the designated Affirmative Action Officer and/or Chief Administrative Officer for resolution. Supervisors shall closely monitor the work environment for any forms of retaliation once an allegation has been made. This will include but not be limited to verbal remarks, irregular assignments or any other activity that may contribute to a hostile work environment.

Legal Effect. This Policy Against Harassment is to be construed as a unilateral expression of the policy of the Employer concerning harassment in the workplace. It is not intended to create any contractual rights or duties and any such intention or effect is hereby disclaimed. This policy may be amended, supplemented, modified and/or revised at any time. Any employee with questions regarding the Employer's Policy Against Harassment should contact the designated Affirmative Action Officer and/or Chief Administrative Officer.

Training. The Employer recognizes the need to reinforce its policies with effective training. Training is to be provided to all supervisory and non-supervisory employees. Ultimately, the goal of effective training is to build a culture in which all employees feel safe. Training may be conducted in person or through electronic means. To the extent economically and operationally feasible, training should be conducted live whenever possible. Training should empower participants to intervene appropriately when they witness harassment or discrimination. This means not only training participants on the requirements of the policy prohibiting harassment and discrimination, but also training participants on tools for response and lodging complaints. Training should emphasize the negative impact of harassment and discrimination on employees, workplace productivity, workplace culture, and encouraging those employees who either experience harassment/discrimination or witness it to report it.

Monitor for Compliance. The Employer acknowledges the importance of ensuring that employers' policies and procedures are actually working as intended to prevent sexual harassment and other forms of discrimination from occurring in the workplace. It is the expectation of the Employer that all supervisors shall enforce anti-harassment policies and that setting the proper example is part of their job description and part of the evaluation of their job performance. The Employer will engage in proactive efforts to monitor and ensure compliance with its policies within their workplaces.

POLICY PROHIBITING WORKPLACE VIOLENCE

The Employer has adopted this Zero Tolerance Policy for workplace violence because it recognizes that workplace violence is a growing problem nationally that needs to be addressed by all employers. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, and/or coercion which involve or affect the Employer, its employees or which occur on the Employer's property will not be tolerated.

Threats or Acts of Violence Defined. "Threats or acts of violence" include conduct against persons or property that is sufficiently severe, offensive, or intimidating to alter the employment conditions with the Employer, or to create a hostile, abusive, or intimidating work environment for one or more employees.

Examples of Workplace Violence. General examples of prohibited workplace violence include, but are not limited to, the following:

All threats or acts of violence occurring on Employer property, regardless of the relationship between the Employer and the parties involved in the incident.

All threats or acts of violence not occurring on Employer property but involving someone who is acting in the capacity of a representative of the Employer.

All threats and acts of violence not occurring on Employer property involving an employee of the Employer if the threats or acts of violence affect the legitimate interest of the Employer.

Any threats or acts resulting in the conviction of an employee or agent of the Employer, or of an individual performing services on the Employer's behalf on a contract or temporary basis, under any criminal code provision relating to threats or acts of violence that adversely affect the legitimate interests and goals of the Employer.

Specific Examples of Prohibited Conduct. Specific examples of conduct which may be considered "threats or acts of violence" prohibited under this policy include, but are not limited to:

Hitting, fighting, pushing, or shoving an individual or throwing objects;

Threatening to harm an individual or his/her family, friends, associates, or their property;

The intentional destruction or threat of destruction of property owned, operated, or controlled by the Employer;

Making harassing or threatening telephone calls, letters or other forms of written or electronic communications;

Intimidating or attempting to coerce an employee to do wrongful acts that would affect the business interests of the Employer;

Harassing surveillance, also known as “stalking,” the willful, malicious and repeated following of another person and making a credible threat with intent to place the other person in reasonable fear of his or her safety;

Making a suggestion or otherwise intimating that an act to injure persons or property is “appropriate,” without regard to the location where such suggestion or intimation occurs;

Unauthorized possession or inappropriate use of firearms, weapons, or any other dangerous devices on Employer property.

While employees of the Employer may be required as a condition of their work assignment to possess firearms, weapons or other dangerous devices, or permitted to carry them as authorized by law, employees are to use them only in accordance with departmental operating procedures and all applicable State and Federal laws.

Application of Prohibition. The Employer’s prohibition against threats and acts of violence applies to all persons involved in the Employer’s operation, including but not limited to Employer personnel, volunteer, contract and temporary workers, and anyone else on Employer property. Violation of this policy by any individual on Employer property, by any individual acting as a representative of the Employer while not on Employer property, or any individual acting off of the Employer property when his or her actions affect the public interest or the Employer’s business interests will be followed by legal action, as appropriate. Violation by an employee of any provision of this policy may lead to disciplinary action up to and including termination.

Warning Signs, Symptoms and Risk Factors. The following are examples of warning signs, symptoms, and risk factors which MAY indicate an employee’s potential for workplace violence:

- Dropping hints about a knowledge of firearms;
- Making intimidating statements like: “You know what happened at the Post Office,” “I’ll get even,” or “You haven’t heard the last from me”;
- Possessing reading material with themes of violence, revenge and harassment;
- Physical signs of hard breathing, reddening of complexion, menacing stare, loudness, fast profane speech;
- Acting out either verbally or physically;
- Disgruntled employee or ex-employee who is excessively bitter;
- Being a loner;
- Having a romantic obsession with a co-worker who does not share that interest;
- History of interpersonal conflict;
- Intense anger, lack of empathy;
- Domestic problems, unstable/dysfunctional family;
- Brooding, depressed strange behavior, “time bomb ready to go off.”

Supervisors should be alerted to and aware of these indicators. If an employee exhibits such behavior, the employee should be monitored and such behavior should be documented.

Procedures for Dealing with Acts of Workplace Violence. When a violent act occurs in the workplace: If a violent act or altercation constitutes an emergency, call 9-1-1 or the local police department. In instances that are not emergency situations, contact your Department Head or the Borough Administrator. If possible, separate the parties involved in the violent altercation. If the parties cannot be separated, or if it would be too dangerous for the employee to separate the parties, call 9-1-1 or the local police department, and contact your Department Head or the Borough Administrator. The Department Head will contact the Borough Administrator, who will take responsibility for coordinating a response to the incident.

In instances that involve criminal situations, the Borough Administrator will contact the appropriate local police department for assessment, and if necessary, a criminal investigation.

Employee Reporting Obligations and Procedure. Each employee and every person on Employer property is encouraged to report incidents or threats or acts of physical violence of which he or she is aware. In cases where the reporting individual is not an employee, the report should be made to the local police department. In cases where the reporting individual is an employee, the report should be made to the employee's Department Head or the Borough Administrator. Each Department Head shall promptly refer any such incident to the Borough Administrator.

The Employer will promptly and thoroughly investigate all reports of threats of (or actual) violence and/or suspicious individuals or activities. Any individual determined to be responsible for conduct in violation of this policy will be subjected to disciplinary action up to and including termination of employment, arrest and prosecution.

Nothing in the policy alters any other reporting obligation established in the Employer's policies or in state, federal or other applicable law.

Confidentiality and Retaliation. This policy prohibits retaliation against any employee who, in good faith, reports a violation of this policy. Every effort to the extent practicable will be made to protect the safety and identity of anyone who comes forward with concerns about a threat or act of violence. Employees shall refer any questions regarding his or her rights and obligations under the policy to the Borough Administrator.

WHISTLEBLOWER POLICY

As a matter of policy, the Employer abides by all federal, state, and local laws, rules, and regulations applicable to it and has all its employees do the same. Every employee is responsible for assisting the Employer to implement this policy.

In the ordinary course, a violation of this policy should be reported to an employee's Department Head in writing, signed by the employee. If that is not practical or if that action is taken but does not prevent or correct the perceived violations, the employee is to deliver a written statement, signed and dated to the designated Borough Administrator. The written statement should detail the specific information the employee possesses so that the Employer may undertake an investigation.

The Employer or any of its employees will not retaliate against any employee who makes a good faith report pursuant to this policy, even if an investigation reveals that no violation occurred. More specifically, neither the Employer nor any of its employees will take any retaliatory action or tolerate any reprisal against an employee who:

Discloses, or threatens to disclose, to a supervisor or to a public body an activity, policy or practice of the Employer or another employer, with whom there is a business relationship, that the employee reasonably believes is in violation of a law, or a rule or regulation issued under the law, or, in the case of an employee who is a licensed or certified health care professional, reasonably believes constitutes improper quality of patient care;

Provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into any violation of law, or a rule or regulation issued under the law by the Employer or another employer, with whom there is a business relationship, or, in the case of an employee who is a licensed or certified health care professional, provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into quality of patient care;

Provides information involving deception of, or misrepresentation to, any shareholder, investor, client, patient, customer, employee, former employee, retiree or pensioner of the employer or any government entity;

Provides information regarding any perceived criminal or fraudulent activity, policy or practice of deception or misrepresentation which the employee reasonably believes may defraud any shareholder, investor, client, patient, customer, employee, former employee, retiree or pensioner of the Employer or any governmental entity.

Objects to, or refuses to participate in, any activity, policy or practice which the employee reasonably believes: (1) is in violation of a law, or a rule or regulation issued under the law or, if the employee is a licensed or certified health care professional, constitutes improper quality of patient care; (2) is fraudulent or criminal; or (3) is incompatible with a clear mandate of public policy concerning the public health, safety or welfare or protection of the environment. See N.J.S.A. 34:19-3.

Disclosure to the Employer first, however, is not required where (1) the employee is reasonably certain that the violation is known to one or more officials; (2) where the employee reasonably fears physical harm; or (3) the situation is emergent in nature. The employee must give the Employer a reasonable opportunity to correct the activity, policy or practice. It is the Employer's responsibility to correct or prevent such violations. This is a legal obligation and a practical necessity. A violation can taint the credibility of the Employer and cause the Employer and its employees to be subjected to adverse publicity leading to public distrust.

This policy is important to the Employer. Each employee should seek to resolve any problem within Employer channels before reporting it to any outside person or entity.

SECTION TWO: EMPLOYEE BENEFITS

COMPENSATION

The Employer will pay its employees in accordance with the provisions of applicable collective bargaining agreements, ordinances, and in compliance with the Fair Labor Standards Act (“FLSA”) and the New Jersey Wage and Hour Law.

Unless otherwise specified by collective bargaining agreement, the Employer pay periods are from the 1st to the 15th and the 16th to the last day of each month. Paychecks are issued on 15th and last day of each month.

No paychecks may be issued in advance of the normal payday, except if approved by the Department Head and Borough Administrator for special reasons, such as an upcoming vacation.

Employees must cash their paychecks on personal time, not during official Employer working hours. Compensation for all employees will be in concert with the recognized bargaining agents of the employees, where applicable.

Employees are not entitled to retroactive pay increases if an employee separates employment, voluntarily or involuntarily, from the employ of the Employer prior to the retroactive payment, unless otherwise stated in the applicable collective bargaining agreement.

OVERTIME

The Employer complies with all applicable federal and state laws with regard to payment of overtime work, including the New Jersey Wage and Hour Law and the federal Fair Labor Standards Act.

Under the Fair Labor Standards Act, certain employees in managerial, supervisory, administrative, computer or professional positions are exempt from the provisions of the Act. There are also employees who may be exempt because their compensation exceeds \$100,000 per year depending upon their job duties. The Borough Administrator shall notify all Exempt employees of their status under the Act. Exempt employees are not eligible to receive overtime compensation and are required to work the normal workweek and any additional hours needed to fulfill their responsibilities. Time off consideration for large amounts of additional hours may be provided with the Borough Administrators prior approval and at the sole discretion of the Borough Administrator.

Depending on work needs, employees may be required to work overtime. Employees are not permitted to work overtime unless the overtime is budgeted and approved by the Department Head and/or the Borough Administrator. Employees working overtime without prior approval will be subject to disciplinary action.

Non-exempt employees are paid overtime at the rate of one and one-half times the regular rate of pay for all hours worked over forty (40) in a workweek. Employees may choose overtime compensation in the form of overtime pay or compensating time off. The maximum number of hours that an employee may accrue for future compensatory time off is forty (40) hours. Once this maximum has been accumulated, all additional hours will be compensated by overtime pay.

Accrued and taken overtime compensatory hours must be noted on the employee's time sheet. Previously scheduled vacation time and holiday time are considered time worked for purposes of determining overtime compensation, but sick time and personal time are not.

Employees who are subject to a collective bargaining agreement will be paid overtime in accordance with such applicable agreement.

MEDICAL BENEFITS

PLEASE NOTE: FULL DETAILS OF EMPLOYEE'S HEALTH, MEDICAL AND HOSPITALIZATION PLANS CAN BE FOUND IN THE OFFICIAL INSURANCE PLAN DOCUMENTS. IF THERE IS ANY CONFLICT OR INCONSISTENCY BETWEEN THE INFORMATION IN THE POLICY AND PROCEDURES MANUAL AND THE OFFICIAL DOCUMENTS, THE OFFICIAL DOCUMENTS WILL GOVERN. THE EMPLOYER RESERVES THE RIGHT TO MODIFY, REVOKE, SUSPEND, TERMINATE OR CHANGE ANY OR ALL SUCH PLANS, IN WHOLE OR IN PART, AT ANY TIME WITH OR WITHOUT NOTICE IN ACCORDANCE WITH APPLICABLE LAW. THE EMPLOYER ALSO RESERVES THE RIGHT TO CHANGE INSURANCE CARRIERS IN ACCORDANCE WITH APPLICABLE LAW.

Part-time and full-time temporary or seasonal employees are not entitled to medical insurance benefits. Failure to complete all necessary paperwork in accordance with the time frames advised by the Employer will result in a delay of coverage. Additionally, failure to enroll dependents or to make other changes or corrections in coverage may jeopardize available benefits. All employees must notify the Employer of any change in status (i.e., marriage, divorce, birth, adoption, death) within the time frame designed by the health benefit plan that would affect any employer-provided health insurance. The Employer reserves the right to conduct a coverage audit to verify proper coverage for employees and eligible dependents.

Dependent Defined. The Employer defines “dependents” as used in this policy as it is defined under the State Health Benefits Program. Dependents means an employee’s spouse and the employee’s unmarried children under the age of twenty-six (26) years who live with the employee in a regular parent-child relationship.

“Children” includes stepchildren, legally adopted children and foster children provided that they are reported for coverage and are wholly dependent upon the employee for support and maintenance. See N.J.S.A. § 52:14-17.26. A spouse or child enlisting or inducted into military service shall not be considered a dependent during the military service.

The term “dependents” does not include spouses of retired persons who are otherwise eligible for benefits under the State Health Benefits Program (N.J.S.A. § 52:14-17.25 et seq.) but who, although they meet the age eligibility requirement of Medicare, are not covered by the complete federal program.

Medical/Hospitalization Coverage. The Employer provides major medical and hospitalization insurance for the employee. The Employer may provide major medical and hospitalization coverage for the employee’s eligible dependents.

Full-time employees working on average thirty (30) hours per week or more and, if applicable, their eligible dependents become eligible to participate in the Employer’s major medical and hospitalization insurance plans in accordance with current health plan documents.

Payments of such premiums by the Employer will terminate upon the employee's separation from service. Upon separation, the employee may, if eligible, purchase continuation health benefit coverage to the extent, and for the period, provided by federal law.

Prescription Drug Coverage. The Employer provides prescription drug insurance for the employee. The Employer may provide prescription drug coverage for the employee's eligible dependents.

Employees will be responsible to pay a co-pay on prescriptions. Full-time employees and their eligible dependents become eligible to participate in the Employer's prescription insurance plan in accordance with current plan documents.

Payments of such premiums by the Employer will terminate upon the employee's separation from service. Upon separation, the employee may, if eligible, purchase continuation health benefit coverage to the extent, and for the period, provided by federal law.

Dental Coverage. Full-time employees and, if applicable, their eligible dependents become eligible to participate in the Employer's dental plan in accordance with current plan documents. All full-time employees, and, if applicable, their eligible dependents, shall be eligible for enrollment in the Employer's dental plan in accordance with the specific requirements of the insurance plan carried by the Employer.

The Employer provides dental insurance for the employee. Unionized employees receive dental coverage in accordance with applicable collective bargaining agreements. The Employer may provide dental coverage for the employee's eligible dependents.

Payments of such premiums by the Employer will terminate upon the employee's separation from service. Upon separation, the employee may, if eligible, purchase continuation health benefit coverage to the extent, and for the period, provided by federal law.

Continuation Coverage. An employee and his/her family, if covered by the Employer's group health care package, shall have the right to temporarily continue their coverage due under the plan, paying the group rate themselves, should they lose coverage due to the death of the enrolled employee or termination for reasons other than gross misconduct on the employee's part, pursuant to the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). For additional information, contact the Borough Administrator.

CLASSIFICATION AND PROMOTION

Individuals employed by the Employer fall within the jurisdiction of the New Jersey Civil Service Commission (“CSC”), which regulates employment within State, County, and Municipal governments through a merit system. As an employee of the Employer, you are subject to the rules and regulations of the CSC.

Classification

Individuals employed by the Employer fall within either “classified” or “unclassified” service.

“Classified” employees may be either full or part-time, temporary, provisional or permanent. The classified service is divided into competitive and non-competitive. The competitive division includes all positions which require special skills. Those in the competitive division are subject to examinations given under the auspices of the CSC.

“Unclassified” employees are those elected by popular vote, appointees of the governing body, Department Heads and/or employees for whom the statutes of the State of New Jersey prescribe fixed terms. These employees are not technically subject to the provisions of the CSC. However, the Employer’s policy is to grant unclassified employees essentially the same fringe benefits and procedural rights as their counterparts in the classified service. For any questions as to which fringe benefits apply to unclassified employees, the Borough Administrator should be contacted.

Employment/Promotional Examinations

Pursuant to N.J.A.C. 4A:1-1 et seq., CSC examination may be written, oral or an evaluation based on education, training and experience. CSC examinations may be either open competitive or promotional depending upon the circumstances involved. In either case, a certified list will result. To be eligible for an open competitive examination, you must meet the qualifications established by the CSC at the time of filing. Preference in open competitive certification and appointment is given to those who successfully pass examinations in the following order: (i) disabled veteran; (ii) veteran; and (iii) non-veteran.

Promotional examinations are competitive and only open to qualified employees within the department where the promotional opportunity exists. To compete in a promotional examination and to be eligible for promotion, you must have permanent employment status and meet the specific qualifications established by the CSC, as described in the individual Promotional Announcement.

Probationary Period – Employees in all divisions of the classified service must serve a working test period after regular appointment as delineated by the CSC. This probationary period enables the Department Head to evaluate the new employee’s conduct and work performance before permanent status is achieved.

HIPAA COMPLIANCE

The Employer is committed to upholding both the letter and the spirit of the Health Insurance Portability and Accountability Act (“HIPAA”) regarding the use, maintenance, transfer, and disposition of personal health care information. To the extent that the Employer maintains such information about its employees and others, its elected officials and employees are committed to protecting the privacy and confidentiality of that information.

WORKERS' COMPENSATION

Employees who suffer job-related injuries and illnesses may be entitled to medical expenses, lost income and other compensation under the New Jersey Workers' Compensation Act. Any occupational injury or illness must be immediately reported to the supervisor or Department Head. All required medical treatment must be performed by a workers' compensation physician appointed by the Employer or workers' compensation carrier. Workers' Compensation is not a leave entitlement but only a wage replacement arrangement.

Payment for unauthorized medical treatment may not be covered. No temporary Workers' Compensation benefits other than the payment of medical bills shall be paid until the employee has been disabled for a period of seven (7) calendar days from the work-related injury, unless otherwise required by law.

While receiving workers' compensation benefits, the pension portion of an employee's benefits will still be paid by the Employer. If, however, an employee is receiving workers' compensation with pay, (which is defined as one hundred (100%) percent compensation of salary) the employee is responsible for all deductions, including pension.

The Employer will not tolerate retaliation or discrimination against an individual because the individual has filed a claim for workers' compensation benefits. This prohibition includes denying or limiting any request for leave because an individual asserted a claim for workers' compensation benefits.

Workers' Compensation Light Duty Policy. The Employer will endeavor to bring employees with temporary work-related injuries or illnesses back on the job as soon as possible. The Employer may recognize a special obligation arising out of the employment relationship and create a temporary light duty position for an employee when s/he has been injured while performing work for the Employer and, as a consequence, is unable to perform his/her regular job duties.

The Employer will not treat an employee with a disability less favorably than an individual without a disability or screen out an individual on the basis of disability in granting such requests for light duty. The Employer will grant such request, at its sole discretion, and on a case-by case basis in consideration of the medical report submitted by the workers' compensation physician, the recommendation of the insuring entity, and staffing needs and requirements. The Employer reserves the right to grant, refuse or terminate a light duty assignment at any time without cause unless it is in conflict with the mandates of the ADA, FMLA, or NJFLA or other state or federal leave laws, where applicable.

The employee and/or the Third Party Administrator ("TPA") are obligated to inform the Employer of the employee's medical progress and the Employer shall have the right to review same periodically. Light duty assignments may be in any department and not just the employee's normal department. Employees on light duty will receive their regular salaries. If light duty is approved, the employee or

TPA must keep the Borough Administrator informed of the medical progress. If, at the end of light duty period the employee is not able to return to work without restrictions, the employee should contact the Borough Administrator to discuss his or her options under state or federal law.

This policy does not affect an employee's rights under the Americans with Disabilities Act, the Family and Medical Leave Act, the Fair Labor Standards Act, the Contagious or Life Threatening Illnesses Policy, or other Federal or State law.

ACTION REPORT SAFETY RECOMMENDATIONS FORM – PART 3

PART 3 Instructions: Department Heads complete Part 3 within TEN (10) WORKING DAYS of event and forward to the Borough Administrator.

A hierarchy of control should be used to assist with the prevention of future similar injuries. The ‘hierarchy of control’ depicts the most to the least effective methods, as shown in the table below. This is the most important part of the investigation process! Do not leave blank.

Substitution – is there another way you can do the task?			
Engineering – can you engineer a way to make the job safer? (Job Safety Analysis sheets may give clues)

PAID HOLIDAYS POLICY

Employees are entitled to the following paid holidays:

- New Year's Day
- President's Day
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Columbus Day
- Veterans Day
- Thanksgiving Day
- Day following Thanksgiving Day
- Christmas Eve
- Christmas Day

In addition to the list above, a date for one (1) Floating Holiday will be chosen by Borough Council at the beginning of each year, to be observed by all eligible employees.

The official holidays shall be celebrated by all employees with the exception of the Superintendent of Public Works who shall celebrate the holidays listed in the agreement with the Waldwick Public Works Association.

Public Safety Telecommunicators who work on a holiday shall receive additional time off for each such day on an hour by hour basis worked on that holiday. There shall be a limit of two such days in a calendar year. In addition to these two days, if a Public Safety Telecommunicator works on Thanksgiving Day or Christmas Day they shall be given additional time off on an hour by hour basis worked on that holiday. This additional time off shall be without any financial impact on the Borough and the selection thereof shall be subject to the scheduling and manning requirements of the department as determined by the Chief of Police.

Part-time employees shall be entitled to a proportionate amount of holiday leave based on the number of hours scheduled to work versus the number of hours in the work week, excluding unpaid lunch hours.

Temporary and seasonal employees are not eligible for holiday leave.

The Employer reserves the right to change or delete the holidays set forth above.

This policy is not intended to conflict with the collective bargaining agreement between the Employer and its unionized employees. If there is a conflict between this Manual and any collective bargaining agreement, the provisions of the collective bargaining agreement will prevail for represented employees.

Weekend Holidays. If a paid holiday falls on a Sunday, it will be observed on the following Monday. If a paid holiday falls on a Saturday, it will be observed on the preceding Friday. Employees who work on weekends will observe the holiday on the actual day.

Eligibility for Holiday Pay. To qualify for holiday pay, employees must be in pay status the scheduled workday immediately preceding and immediately following the holiday. Any employee who is absent without Borough approval on the day before or the day after a holiday shall not receive holiday pay unless the absence was approved in advance. If a paid holiday occurs while an employee is on approved vacation or sick leave, the employee shall not have that holiday charged as sick or vacation time.

Religious Holidays. Employees who wish to observe religious holidays not designated as a holiday by the Employer may do so without loss of pay by using available personal or vacation days, but only to the extent that the employee has not already used up his or her available personal or vacation days.

SECTION THREE: LEAVES OF ABSENCE

VACATION LEAVE POLICY

Unless otherwise stipulated in an employment agreement, collective bargaining agreement or Civil Service laws (where applicable), vacation is an accrued benefit based on the following schedule:

Full-Time Employees:

- One (1) day for each full month of continuous service during the first calendar year of employment (“Year 1”) after completing ninety (90) day probationary period.
- Twelve (12) days for Years Two (2) through Six (6), inclusive.
- Eighteen (18) days for Years Seven (7) through Fourteen (14), inclusive.
- Twenty Four (24) days for Years Fifteen (15) through Twenty Four (24), inclusive.
- Twenty Five (25) days for Years Twenty Five (25) through Twenty Nine (29), inclusive.
- Twenty Six (26) days for Years Thirty (30) and over.

During an employee’s ninety (90) day probationary period, no vacation time is earned or available. Upon completion of the probationary period, one day will be credited for each month worked (calculated back to date of hire).

Part-Time Employees: Part-time employees shall accrue time on a pro-rata basis based on the schedule above.

Temporary/Seasonal Employees: Temporary and seasonal employees are not eligible for vacation leave benefits.

Approval of Vacation Leave. An employee’s supervisor must approve the use of vacation time, in advance. While approval of vacation leave shall not be unreasonably withheld, the use of vacation leave shall be subject to staffing levels as solely determined by the supervisor or Department Head. Employees should submit vacation requests as early as possible to ensure adequate staffing. Absent emergent circumstances, a request to use vacation leave submitted less than three (3) days prior to the day(s) off requested shall be granted only at the discretion of the Department Head.

Employees shall be permitted to carry a maximum of one (1) year’s accrued vacation time in addition to the employee’s allotted time for the current year. No employee may carry more than one year’s worth of vacation time to the next year without written approval of the Employer.

The allotments described in the paragraph above, assumes that the employee will work the entire calendar year. If the employee leaves service for whatever reason during the year they shall only be credited vacation time for that year on a pro-rated basis.

The vacation allotment for Public Safety Telecommunicators shall be as described in this section, with each earned working day still defined as eight hours in duration, even though they work a twelve hour day.

The status of each employee with respect to annual vacation leave shall be determined on the anniversary date of the employee's appointment as an employee.

Upon the death, retirement or termination of employment for any reason, there shall be paid to such member or to his estate a sum equal to one (1) day of pay for each accumulated unused vacation day.

PERSONAL DAY POLICY

Upon completing a ninety (90) day probationary period, employees are entitled to three (3) personal days per year.

An employee may take personal leave for personal, business, or religious reasons. All non-contractual full-time employees shall receive one (1) personal leave day after each completed four (4) consecutive months of employment prior to the January 1 after their date of hire. All full-time employees shall be granted three (3) personal leave days at the beginning of each calendar year in anticipation of continued employment. Part-time, temporary and seasonal employees are not eligible for personal leave benefits.

An employee must apply for personal leave to his/her supervisor, in writing. The employee must provide the reason for the requested leave and apply for it as far in advance as possible, but not less than seventy-two (72) hours prior to the leave. An employee may take personal leave only if his/her supervisor or designee approves and grants the leave. No personal leave will be applied for, approved, or granted immediately before or after any vacation period, holiday period, or weekend, except under extraordinary circumstances.

Employees must take personal leave in the calendar year in which it is earned. Personal leave days cannot be accumulated from year to year. Any employee who exhausts all of his or her personal leave in any one (1) year shall not be credited with additional paid personal leave until the beginning of the next calendar year. An employee who has resigned, was dismissed or has otherwise been separated from employment will not be paid for any unused personal time.

SICK LEAVE POLICY

Employees may accrue up to fifteen (15) working days of sick leave per calendar year. New employees shall only receive one working day for the initial month of employment if they begin work on the 1st through the 8th day of the calendar month, and one-half working day if they begin on the 9th through the 23rd day of the month.

After the initial month of employment and up to the end of the first calendar year, employees shall be credited with one working day for each month of service. Thereafter, at the beginning of each calendar year in anticipation of continued employment, employees shall be credited with fifteen (15) sick days. The sick leave allotment for Public Safety Telecommunicators shall be as described in this section, with each earned working day still defined as eight hours in duration, even though they work a twelve hour day. Part-time and ten (10) month employees shall be entitled to a proportionate amount of paid sick leave.

An employee who exhausts all paid sick days in any one year shall not be credited with additional paid sick leave until the beginning of the next calendar year. Paid sick days shall not accrue during a leave of absence without pay or suspension but shall continue to accrue during a voluntary furlough or furlough extension leave.

Sick leave credits shall not accrue after an employee has resigned or retired, although his or her name is being retained on the payroll until exhaustion of vacation or other compensatory leave.

An employee who abuses this policy will be subject to disciplinary action, up to and including termination of employment.

Carry-Over of Sick Time. Unused sick leave shall accumulate from year-to-year without limit. The accumulation continues indefinitely until the time of the employee's retirement.

Permissible Use of Sick Time. Sick time is intended for the following uses:

- Personal illness or injury of the employee or the employee's family member.
- For medical care for a personal illness or injury of the employee or the employee's family member.
- Exposure to contagious disease.
- Care, for a reasonable period of time, of a seriously ill member of the employee's immediate family; immediate family shall be defined as an employee's spouse, domestic partner, child, legal ward, grandchild, foster child, father, mother, legal guardian, grandfather, grandmother, brother, sister, father-in-law, mother-in-law, and other relatives residing in the employee's household.
- Death in the employee's immediate family, for a reasonable period of time.

- By an employee with a disability for absences related to the acquisition or use of an aid for the disability when the aid is necessary to function on the job. In such cases, reasonable proof may be required by the Employer.

Reporting Sick Time. Employees needing to utilize a sick day shall contact the Department Head (or his designee) at least thirty (30) minutes prior to the scheduled start of the work day. Upon request, employees shall be required to produce verification to substantiate the need for and the appropriate use of sick time. Such shall consist of a note from a health care professional attesting to the existence of the employee's or his or her family member's illness or injury and/or the employee's fitness to return to work to their Department Head. Such note shall not include details regarding the employee or his or her family member's actual illness.

Employees who must take five (5) or more consecutive sick days may be eligible for benefits under the Workers' Compensation Policy and should contact the Borough Administrator. Such absence may also qualify for leave pursuant to federal, state or local law. If you have questions as to whether your illness or injury or that of your family member may qualify you for any such leaves, please contact the Borough Administrator.

Earned Sick Leave Law:

For those employees who do not receive sick time pursuant to Civil Service laws or regulations, or pursuant to any other law, rule, or regulation of this State, or who are not covered under an applicable collective negotiations agreement, the following sick leave policy shall apply, to the extent required by the New Jersey Earned Sick Leave Law:

For every 30 hours worked, an employee shall accrue one hour of sick leave. An employee may accrue or use in any year, or carry forward from one year to the next, no more than 40 hours of earned sick leave. However, an employee may not use more than 40 hours of sick leave per benefit year.

The Employer permits an employee, pursuant to N.J.S.A. § 34:11D-3(a), to use the earned sick leave accrued for any of the following instances:

- (1) Time needed for diagnosis, care, or treatment of, or recovery from, the employee's own mental or physical illness, injury or other adverse health condition, or for preventive medical care for the employee;
- (2) To aid or care for a family member during diagnosis, care, or treatment of, or recovery from, the family member's mental or physical illness, injury or other adverse health condition, or during preventive medical care for the family member;
- (3) If an employee or a family member are a victim of domestic or sexual violence, and are obtaining services from a designated domestic violence agency or other victim services

organization, medical attention, legal services, counseling, or are relocating due to the domestic or sexual violence;

(4) Closure of an employee's workplace, or of the school or place of care of an employee's child, due to an epidemic or public health emergency, or because of the issuance by a public health authority of a determination that the presence of the employee or their family member in the community would jeopardize the health of others; or

(5) If an employee needs to attend a school-related conference, meeting, function or other event requested or required by an administrator, teacher, or other professional school staff member responsible for the education of the employee's child, or to attend a meeting regarding care provided to the child in connection with the child's health conditions or disability.

In regard to the above, the Employer requires three (3) days' notice for any foreseeable use of leave. If the use of leave is unforeseeable, the employee should notify the Employer as soon as practicable of their need to use same. Should an employee need to use three (3) or more consecutive days of leave, said employee must provide the Employer with reasonable documentation that the leave is being taken for one of the purposes permitted above. Reasonable documentation shall be as defined in N.J.S.A. § 34:11D-3(b).

An employee is eligible to use the earned sick leave beginning on the 120th calendar day after the employee starts work. The employee may subsequently use earned sick leave as soon as it is accrued. Employees will not be paid for any unused sick leave, except as expressly required by federal or State Laws, or an applicable collective negotiations agreement.

An employee who exhausts all paid sick leave in any one year shall not be credited with additional paid sick leave until the beginning of the next calendar year.

Employees Covered under a Collective Bargaining Agreement – The employment details set out in this policy work in conjunction with, and do not replace, amend or supplement any terms or conditions of employment stated in any collective bargaining agreement that a union has with the Employer. Wherever employment details in this policy differ from the terms expressed in a collective bargaining agreement with the Employer, the specific terms of the collective bargaining agreement will control.

Vacation, Sick, Personal Leave – General Conditions

- Advancement of Accrued Paid Time Prohibited. Employees may carry accrued vacation/sick time forward as set forth above, but in no case may an employee borrow time from a future year.
- Incremental Use of Accrued Paid Time. Employees are permitted to use vacation, sick and personal time in one-half (1/2) day increments.
- Absences Not Covered by this Policy. This policy addresses absences for vacation/sick/personal leave. It does not cover other absences, such as unexcused absences or absences for family and medical leave, military service leave, military family leave, short- or long-term disability leave, workers' compensation leave, bereavement leave, jury duty leave, victims of crime leave or any other leaves offered by the Employer.
- No Accrual of Sick, Vacation or Personal Days During Certain Absences. Employees may not accrue sick, vacation or personal days during unpaid leaves of absence or other periods of inactive service unless required by law.

DONATED LEAVE PROGRAM

The Employer will permit employees to voluntarily donate accrued benefit time, including sick and/or vacation days, to a fellow employee of the Employer who has exhausted their own earned leave as a result of a catastrophic health condition or injury suffered by themselves or an immediate family member which is expected to require a prolonged absence from work. The Donated Leave Program will be administered in such a manner as to ensure the goals of the program are met without interfering with any employee's rights to privacy as otherwise protected by Federal or State law, rules or regulations.

Eligibility. A permanent full-time employee shall be eligible to receive donated sick or vacation leave if the employee:

1. Has completed at least one year of continuous service;
2. Has exhausted all accrued sick, vacation, personal, compensatory and administrative leave as well as all sick leave injury benefits, if any;
3. Has not, in the two-year period immediately preceding the employee's need for donated leave, been disciplined in writing for chronic or excessive absenteeism, chronic or excessive lateness or abuse of leave; and
4. Either:
 - a) Suffers from a catastrophic health condition or injury;
 - b) Is needed to provide care to a member of the employee's immediate family who is suffering from a catastrophic health condition or injury; or
 - c) Requires absence from work due to the donation of an organ (which shall include, for example, the donation of bone marrow).

Definitions.

"Catastrophic Health Condition or Injury" shall mean:

- With respect to an employee, a "catastrophic health condition or injury" is a life-threatening condition or combination of conditions or a period of disability required by his or her mental or physical health or the health of the employee's fetus and requiring the care of a physician who provides a medical verification of the need for the employee's absence from work for sixty (60) or more work days.
- With respect to an employee's immediate family member, a "catastrophic health condition or injury" is a life-threatening condition or combination of conditions or a period of disability required by his or her mental or physical health and requiring the care of a physician who provides a medical verification of the need for the family member's care by the employee for sixty (60) or more work days.

"Immediate Family Member" shall mean: Father, mother, father-in-law, mother-in-law, spouse, domestic partner, child, son-in-law, daughter-in-law, grandparent, grandchild, brother or sister. Any interpretation of this definition shall be made in the sole discretion of the Borough Administrator.

"Leave Recipient" shall mean an employee who is desirous of accepting leave time accrued and donated by fellow employees.

"Leave Donor" shall mean an employee who is desirous of providing, without compensation, accrued sick, vacation, or personal days to a fellow employee dealing with a Catastrophic Health Condition or Injury.

Procedure.

1. Written Request - An employee may submit a request, in writing, to their Department Head or the Borough Administrator to participate in the Donated Leave Program either as a Leave Recipient or Leave Donor. A supervisor may submit a request to receive time on behalf of an employee unable to make the request.

2. Medical Verification - The employee requesting the employee's acceptance as a Leave Recipient shall submit to the Employer medical verification, signed by a physician licensed by the State of New Jersey, concerning the nature and anticipated duration of the disability resulting from either the catastrophic health condition or injury, or the donation of an organ, as the case may be. The medical verification required for the receipt of donated leave shall include the nature and anticipated duration of the catastrophic health condition or injury, or the donation of an organ. The same medical documentation set forth above will be required whether applying for donated leave to care for one's self or immediate family member.

3. Notice - Upon approval by the Borough Administrator, the Department Head or Supervisor shall, with the Leave Recipient's consent, post or circulate the employee's name along with those of other eligible employees in a conspicuous manner to encourage the donation of leave time. If the employee is unable to consent to this posting or circulation, the employee's family may consent on his or her behalf.

Participation Requirements.

1. Leave Recipient must receive at least five (5) sick days or vacation days or a combination thereof from one or more leave donors to participate in the donated leave program.

2. Leave Recipient may not collect worker's compensation insurance benefits while utilizing time donated.

3. Leave Recipient is limited to a lifetime maximum of two-hundred and sixty (260) donated sick days or vacation days and shall not receive any such days on a retroactive basis.

4. Leave Donors shall have remaining at least twenty (20) days of accrued sick leave if donating sick leave and at least twelve (12) days of accrued vacation leave if donating vacation leave.

5. Leave Donor shall donate only whole sick days or whole vacation days and may not donate more than thirty (30) such days to any one recipient.

6. Leave Donor shall not revoke the leave donation.

7. While using donated leave time, the Leave Recipient shall accrue sick leave and vacation leave under the normal Employer policies and shall be entitled to retain such leave upon his or her return to work.
8. Upon a Leave Recipient's return to work or separation from employment for any reason, any unused, donated leave shall be returned to the Leave Donors on a prorated basis upon the Leave Recipient's return to work, except that if the proration of leave days results in less than one day per donor to be returned, that the leave time shall not be returned.
9. Upon retirement, the Leave Recipient shall not be granted supplemental compensation on retirement for any unused days which he or she had received through the leave donation program.
10. An employee shall be prohibited from threatening or coercing or attempting to threaten or coerce another employee for the purpose of interfering with rights involving the voluntary donation, receipt or use of donated leave time. Such prohibited acts shall include, but not be limited to, promising to confer or conferring a benefit such as an appointment or promotion or making a threat to engage in, or engaging in, an act of retaliation against an employee.
11. Upon receipt of a request to donate time, the Borough Administrator will verify that the Leave Donor is eligible to donate time and said Department will deduct appropriate time from the Leave Donor.
12. Leave Recipients may use donated leave in one-half day or whole day increments. Recipients may return to work on a part time, or intermittent basis, and remain eligible for the program as long as they do not exceed two-hundred and sixty (260) days in a lifetime.
13. An incident is considered closed when the recipient is medically cleared to return to work without restrictions.
14. If the recipient returns to work or otherwise terminates employment, the remaining balance of unused donated leave must be equally returned to all donors in whole day increments only. Partial day increments will not be restored to the donor nor remain credited to the recipient.
15. An illness or injury of an immediate family member requiring an employee's absence from work to provide care must meet the same criteria applicable to an employee's own medical necessity.

FAMILY AND MEDICAL LEAVE

In accordance with the federal Family and Medical Leave Act (“FMLA”), the Employer provides eligible employees with up to twelve (12) weeks of unpaid medical and family leave during any twelve (12) month period and up to twenty-six (26) workweeks to care for a Covered Service member. At the conclusion of the leave, subject to some exceptions, an employee generally has a right to return to the same or an equivalent position. The following outlines employees’ rights and obligations under the FMLA and the Employer’s policies implementing the FMLA.

Leave Available. Eligible employees may take up to a total of twelve (12) weeks of unpaid leave during any twelve (12) month period for any one or more of the following reasons:

- The birth, adoption or placement for foster care of the son or daughter of an employee, and to care for such child;
- A serious health condition of a spouse, son, daughter or parent of an employee if the employee is needed to care for such family member; or
- A serious health condition of an employee that makes an employee unable to work. Generally, the incapacity must result in the employee’s inability to work for more than three (3) consecutive days (although there are certain exceptions to this rule);
- Any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is a member of the Regular Armed forces, National Guard or Reserves on active duty status during the deployment to a foreign country, and or has been notified of an impending call to active duty status as such in support of a contingency operation.

In addition, eligible employees who are either spouse, son, daughter, parent or next of kin of a Covered Servicemember shall be entitled to a total of twenty-six (26) workweeks of unpaid leave during a single twelve (12) month period to care for the Covered Servicemember. During this single twelve (12) month period, an eligible employee who qualifies for leave to provide care for the Covered Servicemember shall be entitled to no more than a combined total of twenty-six (26) workweeks of leave.

Definitions.

“Covered Servicemember” means a member of the Armed Forces, including a member of the National Guard or Reserves, or a recent veteran who has been discharged, other than dishonorably, within the five years preceding the family member’s initial request for leave, who has a serious injury or illness who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.

“Eligible Employee” means an individual who has been employed by the Employer for at least twelve (12) months, has worked at least 1,250 hours during the preceding twelve (12) month period, and is employed at a worksite with at least fifty (50) employees within seventy-five (75) miles of that worksite.

“Next of kin” means the nearest blood relative of the individual.

“Qualifying Exigency” covers a number of broad categories of reasons and activities, including short-notice deployment to a foreign country, military events and related activities, child care and school activities, financial and legal arrangements, counseling, rest and recuperation, post-deployment activities, and additional activities agreed to by the employer and the employee.

“Serious Health Condition” means an illness, injury, impairment or physical or mental condition that involves either inpatient care or continuing treatment by a health care provider. It generally includes a period of incapacity due to pregnancy, prenatal care, a chronic health condition, a permanent or long-term health condition, or restorative or preventive treatment.

“Serious Injury or Illness” means an injury or illness incurred by a Covered Servicemember in the line of duty or on active duty in the Armed Forces, National Guard of Reserves, incurred in the line of duty on active duty or whose pre-existing condition has been aggravated by his/her active duty service, that may render the servicemember medically unfit to perform the duties of the member’s office, grade, rank or rating.

Eligibility. Any employee who has been employed by the Employer for twelve (12) months or more and worked 1,250 hours or more in the twelve (12) month period preceding the first day of the requested leave may be eligible for an unpaid leave of absence of up to twelve (12) weeks during any twelve (12) month period.

The twelve (12) month period shall be determined by using a rolling twelve (12) month period that commences with the first day of leave taken.

Leave to care for a child after birth, adoption, or foster care must conclude within twelve (12) months of the child's birth or placement. If both spouses work for the Employer, they may only take a total of twelve (12) weeks between them during the twelve (12) month period in order to care for a child after birth, adoption, or foster care or to care for a parent with a serious health condition and a combined twenty-six (26) weeks in a single twelve (12) month period for military caregiver leave or a combination of military caregiver leave and other FMLA qualifying reasons. Each spouse may be entitled to additional leave for other qualifying reasons under the FMLA, such as the employee’s own illness or for the serious illness of the employee’s child.

Notice. When the leave is foreseeable, at least thirty (30) days’ advance notice to the Employer, in writing, is required. If thirty (30) days’ notice cannot be provided, as much notice as is practical should be provided. Failure to give reasonable notice may delay the availability of the leave.

Certification. Where leave is taken to care for a family member with a serious health condition or because of the employee’s own serious health condition, medical certification is required and periodic recertification may be required. In addition, where the leave is taken because of the employee’s own serious health condition, a certification of fitness to return to work will be required.

The Employer, at its expense, may require an examination by a second healthcare provider designated by the Employer. If the second healthcare provider's opinion conflicts with the original medical certification, the Employer, at its expense, may require a third, mutually agreeable, healthcare provider to conduct an examination and provide a final and binding opinion.

For military exigency leave, an employee may be required to provide certification that the covered military member is a member of the regular Armed Forces, National Guard or Reserves who is on active duty or called to active duty in support of a contingency operation, as well as certification from the employee about the nature and details of the specific exigency, the amount of leave needed, and the employee's relationship to the military member. For military caregiver leave, the employee may be required to provide information from the health care provider and employee and/or Covered Servicemember to support such leave.

Absent unusual circumstances, medical certifications must be provided within fifteen (15) days. The Employer will also require periodic status reports from employees concerning their intended return date.

Failure to provide requested documentation may result in denial of leave. The Employer may attempt to clarify or authenticate the certification or may require additional certifications to support the need for leave. When leave is taken to care for a family member, the Employer may require the employee to provide documentation or a statement of family relationship (e.g., birth certificate or court document) and proof of the need to care for the family member.

Utilization of Paid Leave. Generally, FMLA leave is unpaid. However, depending upon the circumstances, employees may be entitled to receive workers' compensation benefits, paid family leave benefits, or other state-sponsored wage replacement benefits which pay a portion of normal compensation. These benefits will run concurrently with the employee's unpaid leave. An employee who is eligible for these benefits may also choose to use accumulated paid leave during their approved unpaid leave. Employees may not receive more than 100% of salary at any time.

Coordination with other Leave Policies. The period of time attributable to the employee's absence due to any workers' compensation or sick leave, will be counted against available leave under this policy to the extent permitted by law. In the event that additional family, medical or sick leave is available pursuant to state laws, including, but not limited to, leave under the New Jersey Family Leave Act ("NJFLA"), this leave will also run concurrently with FMLA leave to the extent permitted by law.

Intermittent Leave. When medically necessary, leave taken because of a serious health condition of an employee or family member or to care for a Covered Servicemember may be taken on an intermittent or reduced work schedule basis. The employee and employer shall attempt to work out a schedule for such leave that meets the employee's needs without unduly disrupting the employer's operations, subject to the approval of the employee's health care provider. The Employer may require an employee taking intermittent or reduced work schedule leave to transfer temporarily to an alternative position with equivalent pay and benefits that is better suited to the leave schedule.

Employment and Benefits Protection. During the leave, health benefits will continue for up to twelve (12) weeks in each rolling twelve (12) month period under the same conditions as if the employee continued to work. Employees must, however, pay the same amount for any benefits continued as they do prior to the leave. Other benefits (other than group health benefits), if any, will continue during the leave if such benefits continue with other forms of comparable leave.

If paid leave is substituted for unpaid FMLA leave, the Employer will deduct the employee's portion of the health plan premium as a regular payroll deduction. If the employee's FMLA leave is unpaid, the employee must pay his/her portion of the premium in accordance with a payment method that is devised and mutually agreed upon between the employee and the Employer.

Employees should consult with their Department Head and Borough Administrator prior to taking an approved leave. If you fail to return to work after your FMLA leave for any reason except for circumstances beyond your control, you must pay back all unpaid health insurance premiums. With regard to the employee's contribution portion of his/her health benefits pursuant to Chapter 78, P.L. 2011 and any voluntary supplemental benefits that the employee may have, the employee is solely responsible for making payment arrangements with the Employer or for any voluntary benefits, to the respective insurance company. Your healthcare coverage may cease if your premium payment is more than thirty (30) days late. Pension service credit will continue to accrue during FMLA leave if the employee chooses to use paid time off concurrent with the FMLA leave. Employees may purchase pension service credit accrued during FMLA leave when paid time off is not run concurrent with FMLA leave. You must contact the Borough Administrator to make payment arrangements concerning contributions or credits paid toward your pension benefits. If you fail to return to work after your FMLA leave for any reason except for circumstances beyond your control, you must pay back all unpaid health insurance premiums.

Before returning to work following a medical leave (except for intermittent or reduced schedule leave) due to the employee's own serious health condition, the employee will be required to present a fitness for duty certification from his/her health care provider that he/she is medically able to resume work. If the date on which the employee is scheduled to return to work from FMLA leave changes, the employee is required to give notice of the change, if foreseeable, to the Employer within two (2) business days of the change.

Subject to some exceptions, most employees will be returned to the position they left or to a position equivalent in pay, benefits and other terms of employment. Individuals identified as "key employees" (the highest paid 10% of salaried employees at the work site or within a seventy-five (75) mile radius of that work site) at the beginning of their leave may not be returned to their former or equivalent position if restoration will cause substantial economic injury to the Employer. Employees will be informed of their key employee status at the beginning of the leave period.

A failure to return from FMLA leave for reasons other than the employee's own serious health condition may result in termination of employment. In the event that an employee cannot return to work at the end of FMLA leave due to a continuation of his/her own serious health condition, they must contact the Employer before the expiration of the leave to discuss their options under state and federal law. State leave laws may provide additional leave similar to that provided under the FMLA. The Employer will

comply with these state law provisions to the extent they provide for more generous benefits. State leave law benefits will run concurrently with FMLA benefits to the extent permitted by law.

Family Temporary Disability. During a period of unpaid leave to care for a family member with a serious health condition or a newborn or adopted child or child placed into foster care with the employee, the employee may be eligible for up to twelve (12) weeks of Family Leave Insurance (“FLI”) payments through the State in a twelve (12) month period. FLI is a monetary benefit paid by the State and not a separate leave entitlement, and will thus run concurrently with FMLA and/or NJFLA leaves.

NEW JERSEY FAMILY LEAVE

The Employer provides eligible employees with up to twelve (12) weeks of unpaid, job-protected leave for specified family reasons under the New Jersey Family Leave Act (NJFLA).

Eligible Employees. To be eligible for NJFLA leave, an employee must have worked at least twelve (12) months for the Employer and have worked at least 1,000 hours for the Employer over the previous twelve (12) months.

Qualifying Reasons for Leave. An employee may take NJFLA leave to care for:

- A newly born or adopted child or a child placed into foster care with the employee, but the leave must start within twelve (12) months of the birth of the child or the placement of the child.
- A family member (sibling, grandparent, grandchild, child, spouse, domestic partner, civil union partner, parent-in-law, or parent of a covered individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship) with a serious health condition.

Leave taken for reasons above must be consecutive and must begin by the end of the twelve (12) month period after the birth or placement for adoption or foster care.

Leave that qualifies under the FMLA and NJFLA will run concurrently under both statutes.

Leave Benefits. An employee may take up to a maximum of twelve (12) weeks of NJFLA leave in a twenty-four (24) month period, which is measured as a rolling twenty-four (24) month period that commences with the first day of NJFLA leave taken.

You may take NJFLA leave to care for a seriously ill family member:

- As a single block of time.
- By reducing your normal weekly, [but not daily,] work schedule for no more than twenty-four (24) consecutive weeks in a twenty-four (24) month period.
- Intermittently in increments lasting at least one week, but less than twelve (12) weeks in a consecutive twelve (12) month period, when medically necessary.

Employees permitted to take intermittent or reduced-schedule leave must try to schedule their leave so that it will not unduly disrupt the Employer's operations. The total time within which an intermittent leave is taken may not exceed a twelve (12) month period, if such leave is taken in connection with a single serious health condition.

Intermittent leaves taken in connection with more than one serious health condition episode must be taken within a consecutive twenty-four (24) month period, or until such time as the employee's twelve (12) week family leave entitlement is exhausted, whichever is shorter. An employee taking a family leave on a

reduced leave schedule shall not be entitled to such leave for more than a consecutive twenty-four (24) week period. An eligible employee shall be entitled to only one leave on a reduced leave schedule during any consecutive twenty-four (24) month period. Any remaining family leave to which the employee is entitled subsequent to the expiration of a leave taken on a reduced leave schedule may be taken on a consecutive or intermittent basis.

Depending on the purpose of the employee's leave, the employee may choose to use accrued paid leave, concurrently with some or all of his/her NJFLA leave. The employee will not be eligible to accrue seniority or benefits, including vacation and holidays, during any period of NJFLA leave. The Employer will notify employees of their options to continue to participate in our group health plans during NJFLA leave.

Required Notice and Certifications. When requesting NJFLA leave, an employee must provide the Employer thirty (30) days' advance written notice. If advance written notice is not possible because of an emergency, the employee must provide the Employer with reasonable oral notice and then follow up with written notice.

The employee also must give the Employer a medical certification supporting the need for leave. The Employer reserves the right to require second or third medical opinions and periodic re-certifications. The employee must also provide periodic reports during his/her leave regarding the employee's status and intent to return to work as deemed appropriate by the Employer. If an employee fails to provide the required documentation, the Employer may delay the start of the employee's NJFLA leave, withdraw any designation of NJFLA leave or deny the leave, in which case the employee's absences will be treated in accordance with the Employer's standard leave of absence and attendance policies and the employee may be subject to discipline up to and including termination of employment.

If an employee provides false or misleading information or omits material information about an NJFLA leave, the employee will be subject to discipline up to and including immediate termination of employment.

Benefits Protection. During a family leave of absence, the employee's health benefits will be maintained under the same conditions as if the employee continued to work. If the employee decides to return to work when his/her family leave of absence ends, the employee may be reinstated to the same or equivalent job with the same pay, benefits, and terms and conditions of employment. If the employee decides not to return to work when the family leave of absence ends, the employee may be required to reimburse the Employer for the health insurance premiums paid on his/her behalf during the leave of absence (except if the failure to return to work was caused by the continuation, recurrence, or onset of serious health condition which would entitle the employee to a leave of absence under the law or other circumstances beyond the employee's control).

Pension service credit will continue to accrue during NJFLA leave if the employee chooses to use paid time off concurrent with the FMLA leave. Employees may purchase pension service credit accrued during NJFLA leave when paid time off is not run concurrent with NJFLA leave. An employee may contact the

Borough Administrator to make payment arrangements concerning contributions or credits paid toward his/her pension benefits. Employees should consult with the Employer prior to taking an approved leave.

Returning to Work after NJFLA Leave. On returning to work after NJFLA leave, eligible employees will typically be restored to their original job or to an equivalent job with equivalent pay, benefits and other employment terms and conditions. Any employee who fails to return to work as scheduled after NJFLA leave or exceeds the twelve (12) week NJFLA entitlement will be subject to the Employer's standard leave of absence and attendance policies. This may result in termination if the employee's continued absence is unauthorized (for example, if the employee has no other Employer-provided leave available to him/her).

Retaliation Prohibited. The Employer and the NJFLA prohibit the interference with, restraint of or denial of any right provided under the NJFLA and/or discharge or discrimination against any person for opposing any practice made unlawful by the NJFLA or for involvement in any proceeding under or relating to the NJFLA. The Employer encourages employees to bring any concerns or complaints about retaliation or compliance with the NJFLA to the attention of the Borough Administrator.

New Jersey Family Leave Insurance. During a period of unpaid leave to care for a family member with a serious health condition or a newborn or adopted child or child placed into foster care with the employee, the employee may be eligible for up to six (6) weeks (twelve (12) weeks, effective July 2020) of Family Leave Insurance ("FLI") payments through the State in a twelve (12) month period. FLI is a monetary benefit paid by the State and not a separate leave entitlement, and will thus run concurrently with FMLA and/or NJFLA leaves.

An employee's job is not protected while receiving FLI benefits – unless the employee is eligible for leave under the FMLA, NJFLA, or is otherwise designated for an approved family leave of absence.

Employees must provide the Employer with advance notice of need for leave, as follows:

- At least thirty (30) days before leave to bond with a newborn or newly adopted child, unless the time of the leave is unforeseeable or the time of the leave changes for unforeseeable reasons.
- In a reasonable and practicable manner for leave to care for a seriously ill family member on a continuous, non-intermittent basis, unless an emergency or other unforeseen circumstance precludes advance notice.
- At least fifteen (15) days before leave to care for a seriously ill family member or leave to bond with a newborn or newly adopted child on an intermittent basis unless an emergency or other unforeseen circumstance precludes advance notice.

BEREAVEMENT LEAVE

Full-time employees shall be granted up to four (4) working days of bereavement leave with pay for a death in their immediate family or in the immediate family of the employee's spouse. "Immediate family" means spouse, significant other, child, parent, stepchild, grandparent, brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, father-in-law, mother-in-law, grandchild, uncle or aunt of the employee or any other member of the employee's immediate household.

Employees shall be granted one (1) working day of bereavement leave with pay upon the death of an employee's family member not named above.

In no event shall any part of bereavement leave occur more than fifteen (15) days from the date of death. The Employer may require that the employee produce reasonable proof of death and relationship. Bereavement leave shall not be charged to sick or vacation leave and such leave is not cumulative.

Procedure. To use bereavement leave:

1. Employees who request bereavement leave must notify their Department Head of their intent to take such leave as soon as possible. Unless impracticable, employees should request bereavement leave in writing.
2. The Department Head or his or her designee shall notify the designated Borough Administrator that an employee is using bereavement leave.
3. Employees who request an extension of bereavement leave beyond the established number of days shall have such extensions charged to accumulated unused vacation or sick leave. If an employee has used all of his or her accrued leave time, extended bereavement leave will be considered as a request for a leave of absence without pay.

MILITARY SERVICE LEAVE POLICY

The Employer provides military leave in accordance with applicable State and Federal law. In all cases involving military leave, the employee must, as soon as possible, provide his or her Department Head with a certificate verifying the call to military duty prior to beginning the military leave.

Organized Militia. Any permanent or full-time temporary officer or employee, who is a member of the organized reserve of the Army of the United States, United States Naval Reserve, United States Air Force Reserve or United States Marine Corps Reserve, or other affiliated organization, including the National Guard of other states, shall be entitled to a leave of absence without loss of pay or time on all work days on which he or she is engaged in any period of Federal active duty, up to thirty (30) work days in any calendar year. A military leave of absence is in addition to the employees' regular vacation or other accrued leave.

Any leave of absence for such duty in excess of thirty (30) work days will be without pay but without loss of time. A full-time temporary officer or employee who has served under such temporary appointment for less than one year will receive military leave without pay but without loss of time.

New Jersey Organized Militia. New Jersey's organized militia consists of the National Guard (Army and Air), the Naval Militia, and the State Guard. Any permanent or full-time officer or employee who is a member of the New Jersey organized militia shall be entitled, in addition to pay received, if any, as a member of the organized militia, to a leave of absence without loss of pay or time on all days during which he or she shall be engaged in State or Federal active duty, up to ninety (90) work days in any calendar year.

Any leave of absence for such duty in excess of ninety (90) work days will be without pay but without loss of time. A full-time temporary officer or employee who has served under such temporary appointment for less than one year will receive military leave without pay but without loss of time.

Reinstatement. To be reinstated by the Employer without loss of privileges or seniority, the employee must report for duty with the Employer within the time required by law following release from active duty under honorable circumstances.

In accordance with legal requirement, employees who take military leave are required to:

- Provide the Employer with proper notice of the leave;
- Apply for reinstatement within the time required by law;
- Have a creditable military record including completion of all required training and fulltime service and be discharged under honorable conditions.

Military leave with pay will be granted to an employee in accordance with N.J.A.C. 4A:6-1.11, N.J.S.A. 38:23-1, N.J.S.A. 38a:4-4 and the Uniformed Services Employment and Reemployment Rights Act ("USERRA").

On return from a military leave of absence, the employee will be reinstated as required by law. See The Uniformed Services Employment and Reemployment Act ("USERRA"). Failure to comply with the requirement enumerated above or as required by law will jeopardize an employee's reemployment rights.

JURY DUTY LEAVE

When an employee is called for jury duty and for the duration of such service, the employee shall be entitled to a temporary leave with pay provided that:

- The employee submits a written request with a copy of the summons to his or her Department Head within three (3) business days after receipt of the summons;
- The employee inquires about the anticipated length of service and informs his or her Department Head of the expected duration in advance of accepting service;
- The employee notifies his or her Department Head as soon as possible if the length of jury duty has been extended beyond the original return date;
- The employee communicates with their Department Head to determine when they will report to work at such time as his or her presence as a juror is not required;
- The employee provides his or her Department Head with an appropriate certification or order from the assignment judge, clerk of the court or such other officer as shall be appropriate setting forth the period of such jury duty service to be attached to the weekly time sheet; and
- The employee reimburses the Employer for any payments or fees received as a result of such jury service less any meal or travel expenses.

The Employer will reassign shift workers to the day shift during jury duty leave.

Witness Duty Leave of Absence. The Employer is aware that employees may be subpoenaed to appear as witnesses in trials before the court. The Employer will provide employees with a paid leave of absence for matters stemming from their employment. For personal matters, employees will use available personal days or vacation days.

SECTION FOUR: PERSONNEL RULES AND REGULATIONS

APPEARANCE

Each employee is expected to dress appropriately for the job. The following factors are relevant to determining appropriate dress:

- nature of work
- safety, including necessary precautions when working with or near machinery
- whether the employee has contact with the public
- practices of others in similar jobs
- recognition that employees represent the Employer

This policy incorporates by reference all references to uniform and dress contained in all collective negotiations agreements in force between the Employer and its employees. Failure to abide by the terms of such agreements shall be deemed improper conduct.

Additionally, some Departments may have more detailed and restrictive rules governing appearance. Employees are required to abide by applicable Department rules.

ABSENTEEISM AND TARDINESS

Regular attendance at work, reporting on time, and completing the required hours of work are necessary for each employee so that the Employer may meet its commitments to its residents. Employee absences place an additional burden on the remaining work force and impact the Employer's ability to service its residents. Management recognizes that circumstances beyond the employee's control may cause him or her to be absent from work for all or part of a day. The Employer, however, will not tolerate unexcused absence or tardiness.

All employees are expected to come to work regularly and on time and to promptly notify their immediate supervisor or other management designee by personal telephone conversation when they are unable to do so. Unless prevented by specific circumstances, the employee must provide notification at least one (1) hour prior to the beginning of work for his or her position. In twenty-four (24) hour shift operations, notice must be given a minimum of one (1) hour before the employee's starting time, unless extenuating circumstances prevent such notification.

Attendance and punctuality will be considered, among other factors, in the employee's performance review. If an employee needs to leave work early, the employee must receive permission from his or her supervisor to leave prior to the regularly scheduled departure time. An employee who is absent from duty for five (5) or more consecutive working days without approval or notification or fails to return to work for five (5) or more consecutive working days following an approved leave of absence shall be deemed to have voluntarily resigned from their employment.

To minimize the negative impact on both employees and residents, the Employer will regularly review employee time records to identify chronic absenteeism and/or tardiness problems. Employees who exhibit attendance and/or tardiness problems will be subject to established progressive disciplinary procedures.

ALCOHOL AND DRUG-FREE WORKPLACE

All applicants for positions that require a CDL license and all employees whose job requires them to possess a CDL license shall be excluded from this Alcohol and Drug-Free Workplace policy. Instead, these employees are governed by Federal and State regulations, as well as the attached CDL Drug and Alcohol Testing Policy (Appendix A). Employees hired with the understanding that they must obtain a CDL license will be covered under this Alcohol and Drug-Free Workplace Policy until they obtain their CDL license.

YOUR ROLE AND RESPONSIBILITIES

DRUG-FREE WORKPLACE

The Borough of Waldwick (the Borough) is committed to maintaining a safe, pleasant, and productive working environment. You have the right to come to work without fear of interacting with someone under the influence of drugs or alcohol. This is considered a Health & Safety Policy of the Borough. This Policy highlights the Borough's New Jersey Drug-Free Workplace Policy. The Borough's Designated Employer Representative (DER) is the Borough Administrator. The Alternative DER is the Public Works Superintendent.

The Borough recognizes the prime importance to the Borough of protecting the safety, health and welfare of its employees and others with whom we interface such as citizens, contractors and members of the public. The objective of this policy is to maintain a working environment free from the adverse effects of substance abuse. While the Borough has no intention of intruding into the private lives of its employees, the Borough does expect employees to report to work unimpaired able to perform the duties of their job safely and effectively. In addition to absenteeism and accidents, substance abuse can adversely affect performance, productivity and workplace morale. Co-workers may feel that they have to cover up, or work harder because of someone's substance abuse. Ultimately, an employee with an alcohol or drug problem may lose their job and/or suffer devastating effects on their health. The Borough has a duty to safeguard its employees and the public from the risk of harm from employees who work under the influence of alcohol and drugs. Similarly, employees who are working under the influence, and employees who know that a fellow employee is working under the influence, owe such a duty. The failure to honor that duty by taking the right steps to prevent this risk can result in legal liability. All employees and contractors are responsible and accountable for ensuring that they, and their employees, are not under the influence of alcohol or drugs when carrying out work for the Borough. Managers and supervisors are responsible for taking appropriate action where they identify individuals who are at work while under the influence of alcohol or drugs. They should also take appropriate action to protect the health and safety of individuals who may be affected.

To the extent this Policy supplements, and does not conflict with current collective bargaining agreements, it is applicable. However, to the extent this policy may conflict with a current, applicable collective bargaining agreement (CBA), the CBA shall prevail.

All testing information is considered confidential information by the Borough and will be maintained in a separate file along with the employee's medical records, separate from other personnel files. An employee has the right to inspect and obtain a copy of his or her drug test results. Drug testing information will only be released to those employees of the Borough with a job related need to know, the DER and Alternate DER, to defend against any administrative action brought by the employee against the Borough, in

grievance or arbitration proceeding under the terms of a collective bargaining agreement, in a court of law under subpoena, as released by the employee in writing, the MRO, Borough insurers, rehabilitation programs and as otherwise required by law. Our Drug-Free Workplace Policy does not tolerate the abuse of drugs or alcohol in the workplace. Understand that this Policy prohibits illegal drug use on or off the job. We encourage any employee suffering from a substance abuse problem to seek help. If you need help, we can direct you to our Employee Assistance Program (EAP) Substance Abuse Professional (SAP) for a confidential evaluation and referral for substance abuse treatment if necessary. Notice of the Borough's New Jersey Drug-Free Workplace testing will be provided on vacancy announcement and is posted in conspicuous locations on Borough premises.

Our program can help improve your health and help you avoid trouble with the law. Even if you do not use drugs or alcohol, this program will make your workplace safer and more productive, the Borough safer, and will help your friends and co-workers get the help they need. Compliance with this policy is a condition of your hire or continued employment, except to the extent this policy may conflict with a current collective bargaining agreement (CBA), which CBA shall prevail. The Borough has developed its drug-free workplace policy in compliance with the law. Applicant testing will begin immediately and sixty (60) days after the effective date of November 24, 2021, all employees are subject to testing as outlined below. The existing drug and alcohol testing program will remain in place until the effective date of this program.

WHO DO WE TEST?

All employees performing safety-sensitive functions, and all final applicants for positions where safety-sensitive functions are performed, and all other employees where reasonable suspicion exists. All DOT regulated employees are also subject to testing under this policy. Using the criteria below, the following positions have been classified by the Borough as safety-sensitive: Police Chief, Police Lieutenant, Police Sergeant, Police Officer, Public Safety Telecommunicator, School Traffic Guard, Public Works Superintendent, Water Repair Supervisor, Public Works Supervisor, Public Works Repairer, Laborer 1, Construction Official, Sub-Code Official, Pool Operator, Head Lifeguard, Senior Lifeguard, Lifeguard, Head Swim Team Coach, Swim Lesson Instructors, Tennis Instructor, Emergency Temporary Help, Members of the Waldwick Volunteer Fire Department, and Members of the Waldwick Volunteer Ambulance Corps (WALVAC). Elected officials who are not otherwise classified as employees, are not subject to testing under this Policy.

SAFETY-SENSITIVE CLASSIFICATIONS

Safety-sensitive employees are those employees who discharge duties fraught with risks of injury to others that even a momentary lapse of concentration can have disastrous consequences. Factors which have been considered in determining whether a position is safety sensitive include handling of potentially dangerous machinery, sharp objects, working at heights, positions requiring a high level of cognitive function, mostly unsupervised responsibility for children, and handling of hazardous substances in an environment where others could be injured. Positions which have been found to be safety-sensitive include firefighters, emergency medical technicians, law enforcement officials who carry firearms, fire and police dispatchers, 911 operators, heavy machinery operators, forklift operators, bus drivers, some (but not all) transportation workers, pipeline operators, gas meter repairmen, jail officers, and those involved in security functions. All Department of Transportation (DOT) regulated employees are determined to be safety-sensitive by those regulations. Unless an employee comes under drug testing regulations of some federal agency, each position, job classification or department, should be individually evaluated to determine whether the employee is safety-sensitive in accordance with the above guidelines.

HOW DO WE TEST?

Drug and alcohol testing is done through chemical analysis which determines without question if a person has drugs or alcohol in his or her system and in conformity with regulations of the New York Department of Health, New Jersey Department of Health, or CLIA. Specimens subject to testing include urine, breath, hair, oral fluids, or blood. Specimen collections, chain of custody and drug and alcohol tests will be in substantial compliance with the U.S. Department of Transportation (DOT) procedures if applicable to the type of specimen being tested. To ensure accuracy, urine lab test procedures shall include a preliminary drug screening, two highly sophisticated scientific tests including adulterant detection, and are reported to an independent certified Medical Review Officer (MRO) prior to being released to the Borough. Observed urine collections will only be conducted with the consent of the donor, and the observer will be by a person whose gender matches the donor's gender as identified by the donor at the beginning of the observed collection. Observed collections will be conducted in a professional manner that minimizes discomfort to the donor, and a medical professional may serve as the monitor, regardless of gender. The MRO may recommend the collection of an alternate specimen (e.g., oral fluid) when a donor is unable to provide a sufficient amount of urine specimen at the collection site. The MRO will verify that chain of custody procedures were adhered to, use of a certified laboratory and that the test results were valid. The Borough provides reasonable accommodations to employees and/or applicants in the alcohol and drug testing program whose physical condition prevents them from producing a urine specimen suitable for testing. You may contact the DER if you wish to make an accommodation request. In accordance with Borough policy, a test result reported by the laboratory as a negative dilute urine test is not considered a negative test but subjects the donor to immediate retesting; and a second negative dilute urine test will render an applicant ineligible for hire and current employees, where a negative test is required, not currently fit for duty. FDA approved on-site screening devices may be utilized with all initial positive results confirmed by laboratory testing.

All positive initial tests are confirmed by GC/MS at established DOT cut off levels. An alcohol content of 0.04 or higher using a DOT approved alcohol screening device, or breath alcohol device, is classified as a positive test. The drugs tested for may include all or some of the following: (1) Amphetamines; (2) Cannabinoids; (3) Cocaine; (4) Phencyclidine (PCP); (5) Opioids, designer drugs, or a metabolite of any of the above substances and mind altering synthetic narcotics or designer drugs, or impairing effect medications or substances, taken by employees working in a safety-sensitive classified position, in order for the employer to fulfill its duty to provide a safe place to work as a safety rule. The term "illegal use of drugs" includes any controlled or scheduled drug not used in accordance with a health care provider's lawful prescription for the user, or any substances banned by Federal or applicable State laws.

WHAT IF YOU TEST POSITIVE?

The MRO will contact you confidentially to give you an opportunity to discuss your results before reporting them to the Borough as a verified positive. You may discuss the result with the MRO up to seventy-two (72) hours after a positive result and ask questions of the MRO about prescription and non-prescription medications, rebut or explain the test results to the MRO, and provide supporting documentation. During this 72-hour period, any applicant or employee may request that their split specimen be tested at a second laboratory and if positive, they will be responsible for that expense and that cost may be deducted from their paycheck, depending upon the result and, if negative, the employee will be reimbursed by the Borough for the cost of the test and any lost time. Under federal regulations, the MRO has the discretionary authority to notify the Borough that an employee is temporarily medically disqualified from the performance of safety-sensitive work during this evaluation period and also has the duty to notify the Borough if the employee is taking an impairing effect medication. A positive drug or alcohol test is classified as willful misconduct and a violation of the Borough's Policy. Any employee who tests positive, or refuses to be

tested, may be subject to appropriate disciplinary action for engaging in willful misconduct connected with work, up to and including immediate termination, for gross misconduct connected with work, and violation of a safety rule for those employees working in a safety-sensitive position and/or forfeit eligibility for Worker's Compensation benefits (*N.J. Stat. Ann. § 34:15-7*) if post-accident and may adversely affect an employee's eligibility to receive Unemployment Compensation benefits. Any applicant made a conditional offer that tests positive, or refuses to be tested, will be denied employment or have their offer withdrawn.

WHAT IF YOU FAIL TO FOLLOW SAFETY GUIDELINES?

Often times, impairment from drugs or alcohol will cause an employee to fail to adhere to safety guidelines and other common sense safe working practices. Failure to wear a seatbelt, failure to use Borough provided or required safety equipment, failure to follow safety guidelines, or removal (or disabling) of a safety guard will be willful misconduct connected with work, and subject the employee to discipline, up to and including discharge for violation of Borough Policy.

WHAT ABOUT IMPAIRING EFFECT MEDICATIONS OR SUBSTANCES?

Any employee working in a safety-sensitive position as defined by Borough Policy is required, as a safety rule, to pre-duty disclosure that they are taking or using ANY impairing effect prescription, including medical marijuana, over-the-counter medications, mind altering synthetic or designer drugs or other substance which may have an effect on performance of safety-sensitive duties. This includes medical and recreational marijuana, the use of which the Borough, for safety reasons, will not be able to accommodate employees working in safety-sensitive positions. However, for employees who are qualifying medical marijuana cardholders reporting to work in those states which have statutory anti-discrimination against the use of medical marijuana laws, qualifying employees, and applicants, may request a reasonable accommodation by contacting the DER and such request will be considered. If the fact that the employee is taking or using an impairing effect medication or substance is not disclosed pre-duty by a safety-sensitive employee and the employee tests positive, is otherwise determined to be taking or using such, or is determined by the MRO to be a potential safety risk due to taking or using an impairing effect medication or substance, that employee will be subject to discipline, up to and including termination, for violation of this safety rule. If disclosure is made, the Borough reserves the right to send the employee for a Fitness-for-Duty evaluation to evaluate the medication or substance and its effects on the performance of safety-sensitive duties. In advance of testing, employees are encouraged to have their own doctor make an individualized assessment of any safety-related risks of the medications or substances which they are taking or using, providing the doctor a copy of their job description and having the doctor render an opinion on the safety-related risks. The employee need not disclose to the Borough the medication or medical condition involved to fulfill the disclosure obligation of this Policy. All information provided will be kept separate from personnel files and in a confidential manner. The MRO, or another medical professional selected by the Borough, will make the final determination on the safety-related risks of any particular medication or substance.

WHAT IF AN ADULTERANT IS FOUND?

The use of an adulterant (something added to a specimen to attempt to hide drug use) is considered a refusal to test and a violation of the Policy. The same would be true if you attempted to substitute a specimen. Any employee who is found to have violated this Policy by attempting to defraud a drug or alcohol test may be subject to appropriate disciplinary action, up to and including termination for willful misconduct connected with work, or withdrawal of a job offer. No last chance opportunity is available under such a circumstance. It is a criminal offense to substitute or adulterate a test specimen. It also is a criminal offense in New Jersey to manufacture, sell, give away, or possess any device or substance designed or commonly used to substitute

or adulterate a test specimen. *N.J. Stat. Ann. § 2C:36-10*. The MRO may declare a urine specimen to be adulterated or substituted based on the laboratory report.

WHAT IF I REFUSE?

A refusal to provide a specimen for testing, unless the MRO agrees a medically valid reason exists for your inability, will be considered willful misconduct connected with work. Such willful misconduct connected with work will cause an applicant's offer to be withdrawn and will subject an employee to immediate termination for cause. Under New Jersey law, unemployment compensation benefits may not be available in such a circumstance. Failure to report for specimen collection within a reasonable time, two (2) hours, of being directed to do so is also classified as a refusal under the Borough Policy.

DRUG EDUCATIONAL INFORMATION

Attached to this Policy you will find drug educational information to assist you in recognizing the impairing effects of drug use. The Borough will conduct employee education of substance abuse education and awareness and supervisor training on how to recognize signs of abuse, how to document and collaborate signs of employee substance abuse, and how to refer substance abusing employees to the EAP.

WHAT IF YOU HAVE A SUBSTANCE ABUSE PROBLEM?

The Borough will provide support for employees who need support and help with alcohol or drug dependency via confidential Employee Assistance Program (EAP), Substance Abuse Professional (SAP) or Medical/Occupational Health support services. Employees who proactively seek treatment will be treated sympathetically and in a confidential manner. In certain cases, this may require a transfer to other duties (e.g. where a person is working in a safety critical role) while the individual is receiving treatment. However, the fact that an employee is seeking or undergoing treatment will not be a defence to a charge of wilful misconduct if the employee reports for work under the influence of alcohol or drugs. Our Policy encourages any employee with a drug or alcohol problem to voluntarily and confidentially seek help through our EAP/SAP program. Coming forward after you have been notified to report for testing is not considered a voluntary report. For confidential help with a substance abuse problem, contact the DER or the EAP/SAP. Counseling and rehabilitation for alcohol or substance abuse is available through the EAP, and may also be available under the health and welfare benefit program for employees, *only to the extent of the current benefits package*. The Borough will assume no direct financial responsibility for counseling or rehabilitation costs of an employee, not covered by the EAP. Any costs in addition to or in excess of any available health benefits are the employee's responsibility. A list of state and national **Substance Abuse Resources** is a part of this Policy.

WHAT ABOUT A LAST CHANCE OPPORTUNITY?

No last chance opportunity is available to a probationary, part time or temporary employee, or in the case of refusal, attempted adulteration, substitution, switching, tampering with, or diluting of a specimen or attempt to defraud a drug test. Employees who receive an EAP/SAP evaluation favorable for rehabilitation may be offered a last chance opportunity, in lieu of termination, to seek and successfully complete treatment for a drug or alcohol problem and return to work without being under the influence of drugs or alcohol. The specific terms of such last chance opportunity will be memorialized in writing. An employee who is provided a last chance opportunity may nevertheless be subject to disciplinary action (short of termination) for violation of this policy.

WHY AND WHEN DO WE TEST?

- Pre-employment: Drug testing will be performed on all final applicants for safety-sensitive positions, or who transfer into a safety-sensitive position, as a condition of their employment.
- Routine Fitness-for-Duty: Safety-sensitive employees may be required to submit to a drug test as part of a routine Fitness-for-Duty examination and may be based on a particular job classification.
- Reasonable Suspicion: All employees will be required to submit to a drug and/or alcohol test if the Borough has a reasonable suspicion that an employee is under the influence of drugs or alcohol, which adversely affect or could adversely affect the employee's job performance. Employees selected for testing shall be suspended until a negative drug/alcohol screen or laboratory test result is received. If a negative result, the employee will not suffer a loss of pay.
- Post-Accident/Incident Testing: Testing of a safety-sensitive employee may be conducted under any of the following circumstances: 1) the employee involved in the incident/accident was actively engaged in the activity which objectively could have caused or contributed to the injury or damage; or 2) the employee was operating, controlling, or repairing any machinery, tool, device, equipment or vehicle that was involved in the incident/accident; or 3) the employee's action or inaction was likely a contributing factor to the incident/accident or cannot be completely discounted as a contributing factor based on current info; or 4) testing is being conducted as part of the Borough's Post Incident/Accident Investigation related to possible Workers' Compensation Disqualification; or 5) testing is being conducted for other non-injured employees whose actions, or inaction, could have contributed to the incident/accident as part of a root cause investigation; or 6) post-accident drug testing is required by the Workers' Compensation Carrier or Fund.
- Random: Employees in safety-sensitive positions are subject to random drug testing. Those subject to testing are randomly selected, using scientifically valid methods, from a "pool" of covered employees. Non-DOT safety-sensitive employees may be included in a Non-DOT testing "pool." DOT regulated employees should only be placed in a DOT testing "pool."
- Rehabilitation/Follow-up: An employee must submit to alcohol and/or drug testing where employment has been conditioned upon remaining alcohol or drug free following treatment based on an individualized assessment. The Employer will cover the cost of follow-up drug and/or alcohol testing.

POLICY PROHIBITIONS

Employees, applicants and Contractors for the Borough are strictly prohibited from engaging in the following conduct:

1. With respect to illegal drugs, employees and applicants violate this Policy by engaging in the following conduct, whether or not during work time or on Borough premises or property and are subject to discipline up to and including discharge, or rejection of the application for employment, or cancellation of contractual agreements:
 - a. Testing positive in a confirmed drug or alcohol test, or refusing to be tested.
 - b. Bringing and/or storing (including in a desk, locker, automobile, or other repository) illegal drugs or drug paraphernalia on Borough premises or property, including Borough-owned or leased vehicles, or vehicles used for Borough purposes.

c. Having possession of, being under the influence of, testing positive for, or being in close proximity to persons using illegal drugs, or otherwise having in one's system illegal drugs.

d. Using, consuming, transporting, distributing or attempting to distribute, manufacturing, selling, or dispensing illegal drugs. In addition, the Borough will refer such matters to the appropriate police authority.

e. A conviction or plea of guilty relative to any criminal drug offense occurring in the workplace. All employees must notify the Borough in writing of any criminal drug conviction no later than five (5) calendar days after such conviction. Drug use off-the-job which adversely affects an employee's performance on the job, or which has the potential to jeopardise the health or safety of other employees, the public or the Borough's equipment or function, shall be cause for disciplinary action up to and including dismissal. Action will be taken against employees who are convicted for an off-the job drug offense. In deciding what action will be taken, the incident will be evaluated in terms of the nature of the conviction, the employee's job assignment, the employee's record with the Borough and other factors related to the impact of the employee's conviction on the Borough.

f. Abuse of prescription drugs which includes exceeding the recommended prescribed dosage or using others' prescribed medications. Such prescriptions brought to work should remain in the original labeled container and show the identity of the drug, the identity of the person prescribed the drug, the prescribing doctor's name and the prescription's expiration date.

g. Switching, tampering with, diluting, or adulterating any specimen or sample collected under this Policy, or attempting to do so.

h. Refusing to cooperate with the terms of this Policy which includes submitting to questioning, drug testing, medical or physical tests or examinations, when requested or conducted by Borough or its designee, is a violation of Borough Policy and may result in disciplinary action up to and including termination. A refusal to test includes conduct obstructing testing such as failure to sign necessary paperwork or failing to report to the collection site at the appointed time.

i. Failure to advise pre-duty the Borough of the use of a prescription or over-the-counter drug which may alter the employee's ability to safely perform the essential functions of his or her job.

j. Failure of an employee to notify his or her supervisor before reporting to work if he or she believes that he or she is under the influence of drugs.

k. Please note, hemp products may cause a positive marijuana test result. We will not generally consider use of hemp products a valid medical explanation for a positive marijuana test result.

2. With respect to alcohol, employees violate this Policy by engaging in the following conduct during work time or on Borough premises or property:

- a. Bringing and/or storing (including in a desk, locker, automobile, or other repository) alcohol on Borough premises or property, including Borough owned or leased vehicles, or vehicles used for Borough purposes.
- b. Having possession of, being under the influence of, testing positive for or having in one's system, alcohol. Using, consuming, transporting, distributing or attempting to distribute, manufacturing, selling, or dispensing alcohol. *Exceptions to the policy concerning alcohol consumption or possession may be made only upon the prior explicit approval of senior management for specifically identified circumstances.*
- c. A conviction or plea of guilty relative to any criminal alcohol offense occurring in the workplace. All employees must notify Borough in writing of any criminal alcohol conviction not later than five calendar days after such conviction. Alcohol use off-the-job which adversely affects an employee's performance on the job, or which has the potential to jeopardise the health or safety of other employees, the public or Borough's equipment or function, shall be cause for disciplinary action up to and including dismissal. Action will be taken against employees who are convicted for an off-the job alcohol offence. In deciding what action will be taken, the incident will be evaluated in terms of the nature of the conviction, the employee's job assignment, the employee's record with the Borough and other factors related to the impact of the employee's conviction on the Borough.
- d. Switching, tampering with, or adulterating any specimen or sample collected under this Policy, or attempting to do so.
- e. Refusing to cooperate with the terms of this Policy which includes submitting to questioning, alcohol testing, medical or physical tests or examinations, when requested or conducted by Borough or its designee, is a violation of Borough Policy and may result in disciplinary action, up to and including termination. A refusal to test includes conduct obstructing testing such as failure to sign necessary paperwork or failing to report to the collection site at the appointed time.
- f. Failure of employee to notify his or her supervisor before reporting to work if he or she believes that he or she is under the influence of alcohol.

HOW CAN YOU HELP?

- I. If you are doing drugs – STOP!
- II. If you need help – ASK!
- III. If you know someone at work who is doing drugs – TAKE ACTION!
- IV. Don't let someone else's drug or alcohol problem be the cause of an ON THE JOB INJURY!

Only with your help can we truly have a safe, pleasant, and productive environment at the Borough.

Drug Educational Information Alcohol (Depressant)

Common Forms:	Beer, wine, hard liquor
How Used:	Oral ingestion, patterns of use vary.
Desired Effect:	People drink to relax, to socialize, as a part of a religious ceremony, for the control of physical and emotional pain, or for a variety of other reasons. Its depression of the central nervous system is progressive and continuous. It is a mood-modifying drug that usually provides a temporary feeling of mild euphoria and stimulation. This is a result of the initial depression of the higher centers of the brain which control inhibition. The more you drink, the more sedated you then become.
Time in body:	Depends on many factors, such as body size, amount of alcohol consumed within an hour, and other individual factors. Performance is effected in relation to the amount consumed. Generally, a medium-sized person eliminates the equivalent of one drink per hour. However, "hangover" effects of alcohol have been documented for as long as 14 hours after consuming an intoxicating dose, well after the blood alcohol levels have returned to zero.
Observable effects:	Staggering gait Slurred speech Odor of alcoholic beverage Shaky hands Poor eye-hand coordination Slowed reaction time Eyes react slowly to light - wears sun glasses
Work behavior:	Arrive late, leave early, mis-outs Neglect of physical appearance Restlessness Tremors (hands, face, fingers, lips tongue) Slurred speech Uninhibited - makes inappropriate remarks
Material Indicators:	Empty liquor bottles, cans, often in paper bags Flasks, sometimes disguised as other things
Slang Terms	Booze, juice, hooch, grape, eye-opener, hair-of-the-dog, brew, suds, etc

Amphetamines (Amphetamine and Methamphetamine) Stimulant

Common forms:	Amphetamine - usually capsules or white, flat, double-scored pills. Methamphetamine - white or granular powder, often packaged in aluminum foil or plastic bags.
How used:	Orally, sniffed up the nose, or injected.
Desired effects:	Most commonly sought after effects include euphoria, postponement of fatigue, increased energy, alertness and feelings of personal power. Repeated or chronic use often causes a strong dependence reaction and a schizophrenic loss contact with reality. Users coming off the drug experience extreme fatigue-induced sleep ("crash"), often followed by continued fatigue and depression.
Time in body:	Injection or sniffed up the nose; "rush" felt within 1 minute. Orally, effects felt within about ½ hour. Single doses detectable for about 48 hours.

Observable effects:	Dilated pupils. Flushed face, rapid respiration, profuse sweating. Hyper-excitability, talkativeness, restlessness. "Stereotypic" behavior often seen: person engages in repetitive tasks or mannerisms for extended periods of time. In large doses, inability to concentrate, confusion, panic.
Work behavior:	Try to do job beyond competence level. Impaired ability to operate equipment. Takes chances, risks.
Material Indicators:	Pills, capsules, white powder, granular crystals Foil wrapped tubes, baggies. Hypodermics and paraphernalia for injections
Slang terms:	Defies, bennies, speed, crank, ice, crystal, white crosses, black beauties

Cocaine - A Stimulant

Common forms:	Cocaine - White crystalline powder. Free-base cocaine (crack) - white granular "rocks"
How used:	Cocaine--usually snorted up the nose through a straw or from a "coke spoon" after being chopped to a fine powder with a razor blade. "Crack" -- freebase cocaine--is a processed version which is vaporized in a pipe and inhaled. Either form may also be injected.
Desired effect:	Most commonly sought after effects are euphoria, stimulation, postponement of fatigue and feelings of personal power. The "high" lasts approximately one hour, with a "down" follow-on period. Psychological and physical dependence to "crack" after one to two uses; dependency to snorted coke takes longer to develop.
Time in Body:	Single doses detectable for 12-24 hours
Observable effects:	Dilated pupils. Talkativeness, restlessness. Sniffing, runny nose, irritated or bloody nose. Dramatic mood swings, from "down" to "up" in minutes. Sense of power sometimes manifested in aggressiveness
Work issues:	Frequent trips "to the restroom"—secluded place. Frequent sick-outs and unexplained absences. Hyper-excitability and over-reaction to stimulus. Isolation/withdrawal from friends and activities. Financial problems--borrows, steals and/or sells to support habit. Insomnia, restlessness, lack of sleep
Material Indicators:	Small folded paper envelopes (bindles), plastic bags, small vials used to store drug. Razor blades, mirrors, cut off straws, coke spoons. Small glass pipes, and heat sources used to volatilize crack.
Slang terms:	Coke, snow, toot, crack, blow, happy dust, "C"

Marijuana

Common forms:	Dried green-brown flowers and leaves of the hemp (cannabis) plant--also as compressed tar like lumps (hashish) and sometimes as an oil to be spread on cigarettes (hash oil).
How used:	Generally smoked in hand-rolled cigarettes (joints) or a small pipe, sometimes eaten in baked goods or steeped to make a tea.
Desired effects:	Effects are somewhat dependent on the user and potency of the plant. Low doses tend to produce a dreamy state of relaxation and euphoria with changes in sensory perceptions (usually intensified) and alteration in thought formation and expression. Higher doses intensify these reactions with fragmentation of thought, memory impairment, shortened attention span, and illusions of insight. Marijuana currently sold on the street is 10 times more potent today than in past years.
Time in body:	Marijuana dissolves in body fat cells and is detectable for extended periods of time--up to seven (7) days for occasional users and four (4) weeks or longer for chronic users
Observable effects:	Red bloodshot glassy eyes (users often wear dark glasses and use eye drops to combat). Poor muscular control. Rambling, disconnected speech patterns. Euphoria--as laughing out of context. Getting "hung up" - i.e. going into the bathroom to comb your hair and coming out two hours later. Distinctive odor in air and/or on clothing.
Work issues:	Lack of attention, vision and auditory changes, and poor muscular control. Inability to respond to emergencies and sudden situational changes. Frequent sick-outs and mis-outs. Lackadaisical "I don't care" attitude about person and work. Chronic health problems for frequent users--persistent cough, fatigue, frequent sickness.
Material indicators:	Baggies of green-brown vegetable matter; rolling papers; small pipes (for marijuana) and very small pipes (for hashish); "roach clips" to hold the burned end of the marijuana cigarette; "roaches" discarded on the floor or in ash trays; distinctive odor of marijuana in the air.
Slang terms:	Dope, grass, reefer, weed, ganja, pot, etc.

Opioids (Morphine and Codeine)--Narcotic Depressants

Common forms:	Street forms are pills, liquids and powders. Morphine is derived from opium. Opium dissolved in alcohol, containing 10% morphine, is legally available in many states as "paregoric." Morphine and codeine are widely used medicinally. Morphine is a naturally occurring alkaloid, and is also found in products containing poppy seeds. Heroin is a semi-synthetic derivative of morphine.
How used:	Opium is usually smoked. Codeine is most commonly taken orally. Heroin and morphine are injected; powders can be snorted; cigarettes can be dipped in paregoric and smoked.
Desired effects:	Most commonly effects include euphoria, relief from pain, and a feeling of dissociated well-being. Low maintenance doses allow the addict to function on a daily basis. The heroin user experiences a "rush" described as a very pleasurable whole body reaction lasting 5-10 minutes, followed by several hours of mental and physical relaxation.
Time in body:	Single doses are usually detectable for 48-72 hours.

Observable effects:	Pinpoint pupils. Sweating, nausea, vomiting in novice users. "Nodding off"--the head drooping toward the chest, then bobbing up. Overly calm, detached facial expression. Confusion, mental dullness and slurred speech. Needle marks over veins.
Work issues:	Increased sick-outs, mis-outs. Lack of interest in work, no attention to detail. Sharing of needles brings a high risk of contracting hepatitis and/or AIDS. High cost of the addiction may lead to borrowing money, stealing and selling (on or off the premises).
Material indicators:	Foil or paper "bindles" for holding the drug. Charred spoons or bottle caps, used to cook the drug. Multiple burned matches used to cook the drug. Needles, syringes, eye droppers used for injection. Balloons or prophylactics used to hold drug. Bloody tissue papers, blood on shirt sleeves.
Slang terms:	Heroin, dope, smack, shit, hard stuff, "H", china, monkey dust, china white, etc.

Phencyclidine (PCP)

Common forms:	Pills, liquid, powder, and PCP cigarettes
How used:	Usually smoked with tobacco or marijuana, but may be injected, swallowed, eaten or snorted.
Desired effects:	Users report desirable feelings of immobility, numbness, and detachment. Other sought-after effects include feelings of strength, power, and invulnerability, a dream-like detachment from reality (often coupled with lack of coordination).
Time in body:	Usually detectable 1- 8 days, but chronic users may test positive for several weeks following the last dose.
Observable effects:	Low doses: Sedated, euphoric, uncoordinated behavior. Wide mood swings. Sparse and purposeless speech. Muscle rigidity and jerky eye movements (nystagmus).
High doses:	Coma-like states with muscle rigidity and staring, half-closed eyes. Sudden stimuli may send the user into a psychotic state, with extreme agitation, violent behavior, abnormal strength, and inability to speak or comprehend.
Work issues:	Wide mood swings, unpredictable behavior, aggressive. Tremendous liability in the work force.
Material indicators:	Cigarettes that look as if they have been wet. Crystals, liquids or powders in small vials. Folded aluminum foil or paper packets.
Slang terms:	PCP, angel dust, hog, dust, DOA, shermans, sherms, peace pills, dummy, etc.

**BOROUGH OF WALDWICK
ALCOHOL AND DRUG-FREE WORKPLACE POLICY
NEW JERSEY NON-DOT**

NOTICE TO ALL EMPLOYEES AND APPLICANTS

DRUG-FREE WORKPLACE

The Borough of Waldwick (the Borough) is committed to maintaining a safe, pleasant, and productive working environment. You have the right to come to work without fear of interacting with someone under the influence of drugs or alcohol. This Policy highlights the Borough's New Jersey Drug-Free Workplace Policy. The Borough's Designated Employer Representative (DER) is the Borough Administrator. The Alternative DER is Public Works Superintendent.

The Borough recognizes the prime importance to the Borough of protecting the safety, health and welfare of its employees and others with whom we interface such as citizens, contractors and members of the public. The objective of this policy is to maintain a working environment free from the effects of substance abuse. While the Borough has no intention of intruding into the private lives of its employees, or preventing them from taking the medicine that they may need to stay safe and healthy, the Borough does expect employees to report to work unimpaired able to perform the duties of their job safely and effectively. In addition to absenteeism and accidents, substance abuse can adversely affect performance, productivity and workplace morale. Co-workers may feel that they have to cover up, or work harder because of someone's alcohol or drug use. Ultimately an employee with an alcohol or drugs problem may lose their job and/or suffer devastating effects on their health. The Borough has a duty to safeguard its employees and the public from the risk of harm from employees who work under the influence of alcohol and drugs. Similarly, employees who know that a fellow employee is working under the influence, owe a similar duty. The failure to honor that duty by taking the right steps to prevent this risk can result in legal liability.

To the extent this Policy supplements, and does not conflict with current collective bargaining agreements, it is applicable.

Notice of the Borough's New Jersey Non-DOT Drug and Alcohol testing will be provided on vacancy announcement and is posted in conspicuous locations on Borough premises.

Our program can help improve your health and help you avoid trouble with the law. Even if you do not use drugs or alcohol, this program will make your workplace safer and more productive, the Borough safer, and will help your friends and co-workers get the help they need. Compliance with this policy is a condition of your hire or continued employment. The Borough has developed its drug-free workplace policy in compliance with the law. Applicant testing will begin immediately and sixty (60) days after the effective date of November 24, 2021, all employees are subject to testing as outlined below. The existing drug and alcohol testing program will remain in place until the effective date of this program.

BOROUGH OF WALDWICK

DESIGNATED EMPLOYER REPRESENTATIVE (DER) GUIDELINES ON USE OF FORM TOOLKITS

The following are helpful tips the DER and/or alternate DER may wish to consult in fulfilling their duties and responsibilities:

Getting Started:

Populate the **Drug and Alcohol Testing Policy Development Worksheet** with the information specific to your entity and have this reviewed by legal counsel. As part of this process, you should complete the **Determination of Safety-Sensitive Positions [DFW04]**. That is a significant role in designating those as safety-sensitive in your policy.

Establish date for introduction of the **Drug and Alcohol Testing Policy** to employees. This Policy includes the following parts: (1) Policy, (2) Drug Education Information, (3) Substance Abuse Professionals resource list. You should secure a drug and alcohol awareness video for the meeting and send out notice of meeting date and time. Make a copy of the **Policy** for each employee. **Note:** the **Forms Toolkit** and **DER Guidelines** are not to be given to the employees at the meeting but can be viewed by them at any time.

On the date of the employee awareness training, have an **Employee Awareness Training Session Log** out for employees to sign. Distribute to each employee the following 4 part Policy: **Drug and Alcohol Testing Policy, Drug Education Information, Substance Abuse Professional resource list, and the Active Employee Certificate of Agreement, Receipt of Drug-Free Workplace Policy Consent Form**. Then walk through significant Policy provisions. At the end of the program have each active employee sign the **Active Employee Certificate of Agreement Receipt of Employee Policy Statement Consent Form [DFW01]** and place in their personnel file.

Establish a time and date to conduct reasonable suspicion training for supervisors. This training should be one hour for alcohol and one hour for drugs and conducted by someone who can issue certifications of such training.

Prepare file folders for your Drug and Alcohol Testing Policy records retention and maintain these files separate from personnel files as you would medical records.

Select a Certified Medical Review Officer, Laboratory, collection site and Third Party Administrator to assist with your program.

Applicant/Employee Testing

Have all applicants sign the **Pre-Employment Substance Testing, Consent and Release Form [DFW02]** before you schedule them for a pre-employment drug test.

If the employee fails to show for testing on time, you should receive a call from the collection site. Failure to show up on time is usually determined to be a “refusal to test” subjecting the employee to discipline or rejection of application under your **Policy**. If there is a refusal, you may wish to consider faxing an **Acknowledgment of Consequences of Refusal to Participate in Drug or Alcohol Testing [DFW03]** to the collection site while the employee is still present.

CMRO Report

You should get to know your Certified Medical Review Officer (CMRO) and request that he/she explain their role and answer your questions.

Post-Accident

In the event the employee is involved in a work place accident, check that the employee is drug tested in accordance with your Policy and workers’ compensation requirements.

Reasonable Suspicion

The trainer that you have selected for Supervisory Reasonable Suspicion training should be able to provide you both Contemporaneous and Long-term Observation checklists.

Refusal to Submit to Testing

Use **Acknowledgment of Consequences of Refusal to Participate in Drug or Alcohol Testing [DFW03]** and have two (2) supervisors sign verifying that refusal.

Removal from Safety-Sensitive Duty on a Verified Positive or Refusal

Do not wait on the CMRO’s written report but act upon the CMRO’s oral report of verified positive drug test, adulterated or substituted drug test.

Borough of Waldwick
Determination of Safety-Sensitive Positions [DFW04]

To: Mayor and Council

From: Patrick Wherry, Borough Administrator

Re: Determination of Positions Classified as Safety Sensitive

I have reviewed the job descriptions and duties for the following positions, in coordination with Borough counsel, and have determined that they meet the criteria for a safety-sensitive position as set forth in the Policy, in that:

Safety-sensitive employees are those employees who discharge duties fraught with risks of injury to others that even a momentary lapse of concentration can have disastrous consequences. Factors which have been considered in determining whether a position is safety sensitive include handling of potentially dangerous machinery, sharp objects, working at heights, positions requiring a high level of cognitive function, mostly unsupervised responsibility for children, and handling of hazardous substances in an environment where others could be injured. Positions which have been found to be safety-sensitive include firefighters, emergency medical technicians, law enforcement officials who carry firearms, fire and police dispatchers, 911 operators, heavy machinery operators, forklift operators, bus drivers, some (but not all) transportation workers, pipeline operators, gas meter repairmen, jail officers, and those involved in security functions. All Department of Transportation (DOT) regulated employees are determined to be safety-sensitive by those regulations. Unless an employee comes under drug testing regulations of some federal agency, each position, job classification or department, should be individually evaluated to determine whether the employee is safety-sensitive in accordance with the above guidelines.

Using the above criteria, the following positions have been classified by the Borough as safety-sensitive: Police Chief, Police Lieutenant, Police Sergeant, Police Officer, Public Safety Telecommunicator, School Traffic Guard, Public Works Superintendent, Water Repair Supervisor, Public Works Supervisor, Public Works Repairer, Laborer 1, Construction Official, Sub-Code Official, Pool Operator, Head Lifeguard, Senior Lifeguard, Lifeguard, Head Swim Team Coach, Swim Lesson Instructors, Tennis Instructor, Emergency Temporary Help, Members of the Waldwick Volunteer Fire Department, and Members of the Waldwick Volunteer Ambulance Corps (WALVAC). Elected officials who are not otherwise classified as employees are not subject to testing under this Policy.

COMPUTER USE, ELECTRONIC MAIL, AND INTERNET POLICY

The Employer's e-mail, voicemail, computer systems and Internet service are for official Employer business and use for all other non-business purposes during working time is prohibited. "Working time" shall be defined as any time in which the employee is engaged in or required to be performing work tasks for the Employer. Working time excludes times when employees are properly not engaged in performing work tasks, including break periods and meal times. This includes, but is in no way limited to, the use of computers or Employer-issued mobile devices, use of social networking, gaming or TV/video.

Note: All e-mail, voicemail, text, and internet messages are official documents subject to the provisions of the Open Public Records Act ("OPRA"), N.J.S.A. 47:1A-1 et seq.

The Employer operates in an environment where the use of computers, e-mail and the Internet are essential tools for certain employees. Those employees are encouraged to use computers, e-mail and the Internet; however, it is the responsibility of the employee to guarantee that these systems are solely used for business-related purposes during working time, (as defined above) and are used in a proper and lawful manner at all times.

- Employees are advised that all computers owned by the Employer are to be used for business purposes only during working time (as defined above), and that they have no expectation that any information stored on an Employer computer is private. Because e-mail messages are considered as business documents, the Employer expects employees to compose e-mails with the same care as a business letter or internal memo.
- Downloading or misusing software available through the Internet could violate copyright laws or licensing requirements.
- Personal use of any computer during working time (as defined above) is prohibited, unless expressly authorized by the employee's supervisor.
- The Employer reserves the right to block or cancel an employee's access to Internet sites or the Internet as a whole while using business computers or on the Employer's time.
- The e-mail, telephone, and Internet systems, as well as the messages thereon, are the property of the Employer.
- The Employer reserves its right to monitor its computer systems, including but not limited to, e-mail messages, computer files and Internet usage, with or without notice, at any time, at the Employer's discretion. The Employer also reserves the right to access and disclose such communications and recordings to third parties in certain circumstances. Therefore, employees shall have no expectation of privacy in any transmissions made or received using Employer computers or email accounts.
- Employees must be aware that the mere deletion of a file or message may not fully eliminate that file or message from the system.

- The existence of personal access codes, passwords and/or "message delete functions," whether provided by the Employer or generated by the employee, do not restrict or eliminate the Employer's access to any of its electronic systems as the employees shall be on notice that they should not have any expectation of privacy when using these systems.
- Employees who use an Employer computer to access a personal email account or other personal information or data does not have any expectation of privacy under these circumstances.
- Employees shall not share personal access codes or passwords, provide access to an unauthorized user, or access another's e-mail or Internet account without authorization.
- The Employer's network, including its connection to the Internet, is to be solely used for business-related purposes during working time (as defined above). If permission is granted, an employee's personal use of the Employer's computer, e-mail and connection to the Internet shall not interfere with the employee's duties and shall comply with the Employer's policies and all applicable laws.
- Any messages or transmissions sent outside of the organization via e-mail or the Internet will pass through a number of different computer systems, all with different levels of security. Accordingly, employees must not send privileged and/or confidential communications (i.e. Social Security numbers, medical and/or HIPAA protected information, dependent information or other information protected from unlawful disclosure), via e-mail or the Internet unless the message is properly encrypted, and should consider a more secure method of communication for such data.
- Because postings placed on the Internet may display the Employer's address or other Employer-related information, and thus reflect on the Employer, make certain before posting such information that it exhibits the high standards and policies of the Employer. Under no circumstances shall data of a confidential nature (i.e. Social Security numbers, medical and/or HIPAA protected information, dependent information or other information protected from unlawful disclosure) be posted on the Internet.
- If you identify yourself as an employee in any manner on any internet posting or blog, comment on any aspect of the Employer's business or post a link to the Employer, you must include the following disclaimer in an openly visible location: "the views expressed on this post are mine and do not necessarily reflect the views of the Employer or anyone associated/affiliated with the Employer."
- Subscriptions to news groups or mailing lists are permitted only when the subscription is for a work-related purpose and authorized by Employer. Any other subscriptions are prohibited.
- All files downloaded from the Internet, e-mail attachments or the like should be checked for possible viruses. If uncertain whether your virus-checking software is current, you must check with the Employer's Network Administrator before downloading.
- Any "unauthorized use" of e-mail or the Internet is strictly prohibited while at work or while using an Employer computer. "Unauthorized use" includes, but is not limited to: connecting, posting, or downloading obscene, pornographic, violent, sexually suggestive, or discrimination based material; attempting to disable or compromise the security of information contained on the Employer's computer

systems; or sending or receiving obscene, violent, harassing, sexual or discrimination based messages. If an employee receives a message that is representative of an "unauthorized use" of the Employer's electronic media from someone outside of the Employer, it is the employee's duty to immediately inform the sender of such materials that he or she must refrain from sending such materials.

- Your Internet postings **SHOULD NOT VIOLATE ANY OTHER APPLICABLE EMPLOYER POLICY**, including, but not limited to, the following: the Employer's Anti-Harassment and Discrimination Policies.
- Employees are required to use their assigned Borough email account for Borough business and correspondence.
- Employer business which is conducted by an employee on his or her personal computer or device is subject to this policy and may be subject to the provisions of OPRA.
- Employees are prohibited from storing or maintaining any work product related to Borough business on any external source, including, but not limited to, a thumb drive, unless being given permission to do so.

Any employee who violates this policy shall be subject to disciplinary action, up to and including termination. This policy shall not be construed to restrict employees' rights to share information about their employment terms and conditions communicate with each other; or engage in other concerted activities for their mutual aid and protection.

Social Network Postings

For purposes of this policy, a social network is defined as a site that uses internet services to allow individuals to construct a profile within that system, define a list of other users with whom they share some connection, and view and access their list of connections and those made by others within that system. The type of network and its design vary from site to site. Examples of the types of Internet based social networking activities include: blogging, networking, photo sharing, video sharing, microblogging, podcasting, as well as posting comments on the sites. The absence of, or lack of explicit reference to a specific site or activity does not limit the extent of the application of this provision.

The use of the Internet and social networking sites, including but not limited to Snapchat, Facebook, and Twitter, is a popular activity; however, employees must be mindful of the negative impact of inappropriate or unauthorized postings upon the Employer and its relationship with the community. This provision identifies prohibited activities by employees on the Internet where posted information is accessible to members of the general public, including, but not limited to, public postings on social networking sites.

Specifically, the Employer reserves the right to investigate postings, private or public, that violate work-place rules, such as the prohibition of sexual harassment and other discriminatory conduct, where such postings lawfully are made available to the Employer by other employees or third parties. Employees should use common sense in all communications, particularly on a website or social networking site

accessible to anyone. If you would not be comfortable with your supervisor, coworkers, or the management team reading your words, you should not write them.

Be advised that employees can be disciplined for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment. You can also be sued by agency employees or any individual who views your commentary, content, or images as defamatory, pornographic, proprietary, harassing, libelous or creating a hostile work environment. What you say or post on your site or what is said or posted on your site by others could potentially be grounds for disciplinary action, up to and including termination. However, nothing in this social networking policy is designed to interfere with, restrain, or prevent social media communications during non-working hours by employees engaging in protected concerted activities regarding wages, hours, or other terms and conditions of employment pursuant to the New Jersey Employer-Employee Relations Act or to prevent communications which are protected by the First Amendment freedom of speech clause, unless such communications are made as part of the employees' official job duties.

TELEPHONE AND PERSONAL COMMUNICATION USAGE POLICY

Land-line Telephones. Employer telephones are for official business use only during working time. Charges for all other usage, including personal calls and unauthorized use of such devices, must be reimbursed to the Employer. Working time shall be defined as any time in which the employee is engaged in or required to be performing work tasks for the Employer, and excludes times when employees are properly not engaged in performing work tasks, including break periods and meal times.

Employer-Issued Mobile Phones/Devices. Employer-issued mobile devices may be issued to certain employees in the course of their employment with the Employer. Such Employer-issued devices are the sole and exclusive property of the Employer and are only to be utilized by employees in the course and scope of their employment during working time (any time in which the employee is engaged in or required to be performing work tasks for the Employer not to include times when employees are properly not engaged in performing work tasks, including break periods and meal times.) Employees will be charged for costs incurred due to their personal use of such devices. Accordingly, the Employer reserves the right to monitor the use of the Employer-issued cell-phones without notice, at any time, and any such data collected from the mobile device equipment is the sole and exclusive property of the Employer to be used for any purpose.

Similarly, the Employer reserves the right to review the manner and use of these mobile devices and physically inspect the equipment at any time with or without notice. Accordingly, the employee shall have no reasonable expectation of privacy in any transmissions made or received using an Employer-issued mobile device, nor any content stored on such devices.

Employees are expected, at all times, to respect the integrity of the Employer-issued mobile devices and to maintain the equipment in proper working condition. If an employee discovers or recognizes that the mobile device is not in proper working condition, it is the employee's responsibility to bring the issue to the attention of his or her supervisor immediately.

Upon termination of employment or in the instance of an upgrade to the employee's phone or service, the employee must return the Employer-issued device to the Employer.

Prohibited Use of Personal Communication Devices. To alleviate distraction and disruption of regular work routines, personal communication devices are strictly prohibited from use during working time (any time in which the employee is engaged in or required to be performing work tasks for the Employer not to include times when employees are properly not engaged in performing work tasks, including break periods and meal times.) while in work areas, except where the Employer has provided such device(s) to employees for business use, or in case of an emergency (such as illness, accident, and calls of a similar emergent nature).

Employees are prohibited from using their personal communication device to copy and/or upload any, confidential information (i.e. Social Security numbers, medical and/or HIPAA protected information,

dependent information or other information protected from unlawful disclosure). Employees must make reasonable efforts to obtain supervisor approval prior to making emergency calls during working time. Personal communication devices are defined as, but not limited to, cellular or two-way phones, text-messaging devices, iPhones, Android-enabled devices, BlackBerrys and pagers.

Other Personal Electronic Devices. Employees are not permitted to utilize electronic devices such as personal laptops, game systems, portable DVD players or any other type of personal entertainment systems while at work.

Violation of this policy may subject an employee to disciplinary action up to and including termination.

CONDUCT OF EMPLOYEES

Employees are expected to conduct themselves in a manner which exhibits a respect for the rights and property of the Employer, fellow employees, and residents. While many of these behaviors are addressed under specific policies, the following list, while not all inclusive, further identifies examples of inappropriate behavior:

- Insubordination or the refusal by an employee to follow management's instructions concerning job-related matters
- Neglect of duty
- Incompetency, inefficiency or incapacity
- Fighting or creating a disturbance among fellow employees
- Using obscene, abusive, or threatening language or gestures
- Sleeping on duty
- Use or possession of intoxicants, narcotics or controlled substances without a prescription, being intoxicated or narcotized while on duty
- Absence without leave or failure to report after authorized leave has expired or after such leave has been disapproved or revoked; provided that any regular member or officer of the police department who shall be absent from duty without just cause for a period of five days shall cease to be a member of the police department, as provided by N.J.S.A. 40A:14-122, as amended.
- Using leave for purposes other than for which it was granted
- False statements, misrepresentation, or fraud in application form or any other matter concerning employment

CONFIDENTIALITY OF PERSONNEL RECORDS

The Borough Administrator will ensure that adequate personnel records are maintained for each employee in accordance with applicable Federal and State requirements. These records shall include: dates of appointments, transfers, promotions and terminations, job titles, salaries, commendations, complaints, performance evaluations, disciplinary actions, amount of leave accrued and used, a record of the employee's training and other related matters, and attendance records.

A new employee's employment application, letters of reference, reference verification and any other supporting documents will be included in the personnel file. Confidential medical records are maintained in a separate file.

Personnel records, other than name, title, salary, compensation, dates of service, reason for separation, and information on specific educational or medical qualifications required for employment, are confidential and are available only to the employee, an authorized representative of the employee, and the Borough Administrator. Personnel records may also be available to the Borough Administrator, other members of management, the Employer's legal counsel, and members of the governing body on a need-to-know basis in connection with official duties. Additionally, the Employer will make the records available as required by law.

Employees are entitled to review the contents of their personnel folder, except for reference checks and other information provided to the Employer in the hiring process, but may not review the contents of other employees' personnel file. Employees who want to review their own personnel folder should request an appointment with the Borough Administrator. Employees should provide the Employer with at least twenty-four (24) hours advance notice of his or her need for an appointment to review his or her personnel file. To protect the integrity of the personnel files, the employee will review the personnel file in the presence of the Borough Administrator or his/her designee. Employees will not be permitted to photocopy the contents of their folder, take personnel folders outside of the Administration office or remove any documents from the folder.

Employees whose duties require access to personnel documents or information must maintain their confidentiality. Violators of this confidentiality will be subject to disciplinary action up to and including termination.

CONTAGIOUS/LIFE THREATENING ILLNESS POLICY

The Employer is committed to providing and maintaining a healthy and safety work environment which allows all employees to perform their jobs in a safe and productive manner. The Employer respects the dignity and worth of every employee through its Equal Opportunity Employment statement, which explains its policy and practice with respect to prohibiting discrimination in every phase of employment. The Employer provides support for individual employees who may be facing the trauma of a life-threatening or catastrophic illness. The purpose of this policy is to support the physical and emotional health of all employees, minimize disruptions of productivity and morale caused by the presence of a worker with a life-threatening illness, and demonstrate the Employer's continued commitment to its affirmative action goals related to physically disabled employees.

If an employee has learned that he or she has a contagious or life threatening illness, including but not limited to HIV/AIDS, the employee should take all steps to protect further spread of the disease or illness. When appropriate, the employee's Department Head should be notified of any illnesses that may affect the health, safety, and welfare of any co-employee or member of the general public. Employees with such conditions, who are able to meet appropriate standards and whose continued employment does not pose a threat to their own health and safety or that of others, are assured equal employment opportunities and reasonable accommodations in their employment. If an employee is able to work, he or she is expected to be productive. If the individual cannot work, then he or she may be eligible for disability benefits.

Consistent with the concern for employees with life-threatening illness, the Employer offers the following resources through the Borough Administrator:

- 1) Employee education and information on terminal illnesses and specific life-threatening illnesses.
- 2) Referral to agencies and organizations which offer supportive services for life-threatening illnesses.
- 3) Consultation in assisting employees in efficiently managing health, leave and other benefits. The Employer encourages employees who need these resources to contact the Borough Administrator.

DISCIPLINE AND TERMINATION POLICY

Corrective disciplinary action, as appropriate, will be taken against any employee found to be in violation of established procedures. All disciplinary action shall be based upon total concern for the employee, the employee's relationship with his/her fellow workers, the employee's relationship with his/her supervisor, and the best interest of the Employer. Such disciplinary action shall be of a positive, educational and corrective nature, and shall not be used in an abusive or vindictive manner.

Discipline is considered to be major or minor. Major discipline shall include:

- Removal
- Disciplinary demotion
- Suspension of greater than five (5) days

Minor discipline is a formal written reprimand or a suspension or fine of five (5) or less days.

This policy covers non-union employees. It also covers union employees to the extent that their collective bargaining agreements do not cover this subject matter.

Procedure in Major Disciplinary Actions – Generally, an employee will be served with a "Preliminary Notice of Disciplinary Action" ("PNDA") setting forth the charges against the employee and affording a hearing opportunity at a specified date, time and location. The employee must respond with a request for a hearing within five (5) days of the receipt of PNDA; otherwise, the hearing is waived. After the hearing (or a waiver of a hearing), a decision is made and within twenty (20) days, unless additional time is agreed to by the parties. Written notification to the employee shall be made by issuing a "Final Notice of Disciplinary Action" form.

An immediate suspension may be imposed prior to a hearing when:

1. The employee is unfit for duty or presents a hazard to any person if permitted to remain on the job or the suspension is necessary to maintain safety, health, order or effective direction of public services. However, a PNDA with opportunity for a hearing must be served in person or by certified mail within five (5) days following the immediate suspension; or
2. The employee is suspected/charged with an act of misdemeanor, felony or any form of malicious mischief which leads to arrest and/or incarceration and fails to notify his Department/Division Head or Designated Superior immediately. This failure could result in disciplinary action, up to and including termination; or
3. The employee has been formally charged with a crime of the First, Second or Third Degree or a crime of the Fourth Degree directly related to the employee's job.

Where a suspension is immediate, and is without pay, the employee must first be apprised either orally or in writing regarding the charges, the reason why an immediate suspension is sought, and a general description of the evidence in support of the charges. The employee will be provided an opportunity to respond to the charges before a representative of the Employer. The response may be oral or in writing.

An employee may be subject to discipline, including termination, for any of the following reasons:

- Incompetency, inefficiency or failure to perform duties;
- Insubordination;
- Inability to perform duties;
- Chronic or excessive absenteeism or lateness;
- Conviction of a crime;
- Conduct unbecoming a public employee;
- Neglect of duty;
- Misuse of public property, including motor vehicles;
- Discrimination that affects equal employment opportunity, including sexual harassment;
- Violation of federal regulations concerning drug and alcohol use by and testing of employees who perform functions related to the operation of commercial motor vehicles, and state and local policies issued thereunder;
- Falsification of public records, including attendance and other personnel records;
- Failure to report absence;
- Harassment of co-workers and/or volunteers and visitors;
- Theft or attempted theft of property belonging to the Employer, fellow employees, volunteers or visitors;
- Unauthorized absences and/or chronic or excessive absences;
- Fighting on Employer's property at any time;
- Being under the influence of intoxicants (e.g., liquor) or illegal drugs (e.g., cocaine or marijuana) on Employer property and at any time during work hours;
- Failure to report to work on the day or days prior to or following a vacation, holiday and/or leave, and/or any other unauthorized day of absence;
- Possession, sale, transfer or use of intoxicants or illegal drugs on Employer property and at any time during work hours;

- Entering the building without permission during non-scheduled work hours;
- Soliciting on Employer premises during work time. This includes but is not limited to distribution of literature or products or soliciting membership in fraternal, religious, social or political organizations, and for sales of products, such as those from Avon, Amway, etc.;
- Careless waste of materials or abuse of tools, equipment or supplies;
- Deliberate destruction or damage to Employer property or the property of other employees;
- Sleeping on the job;
- Carrying weapons of any kind on Employer premises and/or during work hours, unless carrying a weapon is a function of your job duties;
- Violation of established safety and fire regulations;
- Unauthorized absence from work area, and/or roaming or loitering on the premises, during scheduled work hours;
- Defacing walls, bulletin boards or any other property of the Employer or other employees;
- Unauthorized disclosure of confidential Employer information;
- Gambling on Employer premises;
- Horseplay, disorderly conduct and use of abusive and/or obscene language on Employer premises;
- Deliberate delay or restriction of your work effort, and/or incitement of others to delay or restrict their work effort;
- Conviction of a crime or disorderly persons offense;
- Violating any Employer rules, procedures, regulations or policies;
- Unauthorized use of computers, Internet, email, voicemail, telephone and cellular phone;
and
- Other sufficient cause.

These are mere examples and not an exhaustive list or binding on the Employer. Additionally, the Employer reserves the right to use any and all forms of discipline on a case-by-case basis and is not obligated to use progressive discipline. Employment with the Employer may be terminated at any time with or without cause or reason by the employee or Employer.

DOMESTIC VIOLENCE POLICY

PURPOSE

The purpose of the State of New Jersey Domestic Violence Policy for Public Employers (herein "policy") is to set forth a uniform domestic violence policy for all public employers to adopt in accordance with N.J.S.A. 11A:2-6a. The purpose of this policy is also to encourage employees who are victims of domestic violence, and those impacted by domestic violence, to seek assistance from their human resources officers and provide a standard for human resources officers to follow when responding to employees.

DEFINITIONS

The following terms are defined solely for the purpose of this policy:

Domestic Violence - Acts or threatened acts, that are used by a perpetrator to gain power and control over a current or former spouse, family member, household member, intimate partner, someone the perpetrator dated, or person with whom the perpetrator shares a child in common or anticipates having a child in common if one of the parties is pregnant. Domestic violence includes, but is not limited to the following: physical violence; injury; intimidation; sexual violence or abuse; emotional and/or psychological intimidation; verbal abuse; threats; harassment; cyber harassment; stalking; economic abuse or control; damaging property to intimidate or attempt to control the behavior of a person in a relationship with the perpetrator; strangulation; or abuse of animals or pets.

Abuser/Perpetrator - An individual who commits or threatens to commit an act of domestic violence, including unwarranted violence against individuals and animals. Other abusive behaviors and forms of violence can include the following: bullying, humiliating, isolating, intimidating, harassing, stalking, or threatening the victim, disturbing someone's peace, or destroying someone's property.

Human Resources Officer (HRO)—An employee of a public employer with a human resources job title, or its equivalent, who is responsible for orienting, training, counseling, and appraising staff. Persons designated by the employer as the primary or secondary contact to assist employees in reporting domestic violence incidents.

Intimate Partner - Partners of any sexual orientation or preference who have been legally married or formerly married to one another, have a child or children in common, or anticipate having a child in common if one party is pregnant. Intimate partner also includes those who live together or have lived together, as well as persons who are dating or have dated in the past.

Temporary Restraining Order (TRO) - A civil court order issued by a judge to protect the life, health or well-being of a victim. TROs can prohibit domestic violence offenders from having contact with victims, either in person or through any means of communication, including third parties. TROs also can prohibit

offenders from a victim's home and workplace. A violation of a TRO may be a criminal offense. A TRO will last approximately 10 business days, or until a court holds a hearing to determine if a Final Restraining Order (FRO) is needed. In New Jersey, there is no expiration of a FRO.

Victim - A person who is 18 years of age or older or who is an emancipated minor and who has been subjected to domestic violence by a spouse, former spouse, or any other person who is a present household member or was at any time a household member. A victim of domestic violence is also any person, regardless of age, who has been subjected to domestic violence by one of the following actors: a person with whom the victim has a child in common; a person with whom the victim anticipates having a child in common, if one of the parties is pregnant; and a person with whom the victim has had a dating relationship.

Workplace-Related Incidents - Incidents of domestic violence, sexual violence, dating violence, and stalking, including acts, attempted acts, or threatened acts by or against employees, the families of employees, and/or their property, that imperil the safety, well-being, or productivity of any person associated with a public employee in the State of New Jersey, regardless of whether the act occurred in or outside the organization's physical workplace. An employee is considered to be in the workplace while in or using the resources of the employer. This includes, but is not limited to, facilities, work sites, equipment, vehicles, or while on work-related travel.

PERSONS COVERED BY THIS POLICY

All employees are covered under this policy, including full and part time employees, casual/seasonal employees, interns, volunteers and temporary employees at any workplace location.

RESPONSIBILITY OF EMPLOYERS TO DESIGNATE A HUMAN RESOURCES OFFICER

The Employer hereby designates the following employees as the Primary HRO and Secondary HRO, to assist employees who are victims of domestic violence.

Primary HRO:

Patrick Wherry / Borough Administrator / 201-652-5300 x227

Secondary HRO:

Kelley Halewicz / Borough Clerk / 201-652-5300 x236

The designated Primary and Secondary HRO shall receive training on responding to and assisting employees who are domestic violence victims in accordance with this policy.

Managers and supervisors are often aware of circumstances involving an employee who is experiencing domestic violence. Managers and supervisors are required to refer any employee who is experiencing domestic violence or who report witnessing domestic violence to the designated HRO. Managers and

supervisors must maintain confidentiality, to the extent possible, and be sensitive, compassionate, and respectful to the needs of persons who are victims of domestic violence.

The name and contact information of the designated HRO will be provided to all employees.

This policy does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General Directives and guidelines that impose a duty to report. For example, if there is any indication a child may also be a victim, reporting is mandatory to the Department of Children and Families, Child Protection and Permanency, under N.J.S.A. 9:6-8.13.

DOMESTIC VIOLENCE REPORTING PROCEDURES

Employees who are victims of domestic violence are encouraged to seek immediate assistance from their HRO. Employees who have information about or witness an act of domestic violence against an employee, are encouraged to report that information to the designated HRO, unless the employee is required to report the domestic violence pursuant to applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report, in which case the employee must so report to the appropriate authority in addition to reporting to the designated HRO. Nothing in this policy shall preclude an employee from contacting 911 in emergency situations. Indeed, HROs shall remind employees to contact 911 if they feel they are in immediate danger.

Each designated HRO shall:

- A. Immediately respond to an employee upon request and provide a safe and confidential location to allow the employee to discuss the circumstances surrounding the domestic violence incident and the request for assistance.
- B. Determine whether there is an imminent and emergent need to contact 911 and/or local law enforcement.
- C. Provide the employee with resource information and a confidential telephone line to make necessary calls for services for emergent intervention and supportive services, when appropriate. The HRO or the employee can contact the appropriate Employee Assistance Program to assist with securing resources and confidential services.
- D. Refer the employee to the provisions and protections of The New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1 et seq. (NJ SAFE Act), referenced in this policy.
- E. In cases where domestic violence involved a sexual touching or sexual assault between employees, the HRO is also required to report the incident to Borough Attorney Craig Bossong.
- F. If there is a report of sexual assault or abuse, the victim should be offered the services of the Bergen County Prosecutor's Office Special Victims Unit, Sexual Assault Response Team, 201-226-5620.

- G. Maintain the confidentiality of the employee and all parties involved, to the extent practical and appropriate under the circumstances, pursuant to this policy.
- H. Upon the employee's consent, the employee may provide the HRO with copies of any TROs, FROs, and/or civil restraint agreements that pertain to restraints in the work place and ensure that security personnel are aware of the names of individuals who are prohibited from appearing at the work location while the employee who sought the restraining order is present. All copies of TROs and FROs shall be maintained in a separate confidential personnel file.

CONFIDENTIALITY POLICY

In responding to reports of domestic violence, the HRO shall seek to maintain confidentiality to protect an employee making a report of, witnessing, or experiencing domestic violence, to the extent practical and appropriate under the circumstances and allowed by law. Thus, this policy does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General Directives and guidelines that impose a duty to report.

This confidentiality policy shall not prevent disclosure where to do so would result in physical harm to any person or jeopardize safety within the workplace. When information must be disclosed to protect the safety of individuals in the workplace, the HRO shall limit the breadth and content of such disclosure to information reasonably necessary to protect the safety of the disclosing employee and others and comply with the law. The HRO shall provide advance notice to the employee who disclosed information, to the extent possible, if the disclosure must be shared with other parties in order to maintain safety in the workplace or elsewhere. The HRO shall also provide the employee with the name and title of the person to whom they intend to provide the employee's statement and shall explain the necessity and purpose regarding the disclosure. For example, if the substance of the disclosure presents a threat to employees, then law enforcement will be alerted immediately.

This policy does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General Directives and guidelines where mandatory reporting is required by the appointing authority or a specific class of employees.

CONFIDENTIALITY OF EMPLOYEE RECORDS

To ensure confidentiality and accuracy of information, this policy requires the HRO to keep all documents and reports of domestic violence in confidential personnel file separate from the employee's other personnel records. These records shall be considered personnel records and shall not be government records available for public access under the Open Public Records Act. See N.J.S.A. 47:1A-10.

THE NEW JERSEY SECURITY AND FINANCIAL EMPOWERMENT ACT

The New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1, et seq. (NJ SAFE Act), is a law that provides employment protection for victims of domestic or sexual violence.

The NJ SAFE Act allows a maximum of 20 days of unpaid leave in one 12-month period, to be used within 12 months following any act of domestic or sexual violence. To be eligible, the employee must have worked at least 1,000 hours during the 12-month period immediately before the act of domestic or sexual violence. Further, the employee must have worked for an employer in the State that employs 25 or more employees for each working day during 20 or more calendar weeks in the current or immediately preceding calendar year. This leave can be taken intermittently in days, but not hours.

Leave under the NJ SAFE Act may be taken by an employee who is a victim of domestic violence, as that term is defined in N.J.S.A. 2C:25-19 and N.J.S.A. 30:4-27.6, respectively. Leave may also be taken by an employee whose child, parent, spouse, domestic partner, civil union partner, or other relationships as defined in applicable statutes is a victim of domestic or sexual violence.

Leave under the NJ SAFE Act may be taken for the purpose of engaging in any of the following activities, for themselves, or a child, parent, spouse, domestic partner, or civil union partner, as they relate to an incident of domestic or sexual violence:

- 1) Seeking medical attention;
- 2) Obtaining services from a victim services organization;
- 3) Obtaining psychological or other counseling;
- 4) Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase safety;
- 5) Seeking legal assistance or remedies to ensure health and safety of the victim; or
- 6) Attending, participating in, or preparing for a criminal or civil court proceeding relating to an incident of domestic or sexual violence.

PUBLIC EMPLOYER DOMESTIC VIOLENCE ACTION PLAN

The Employer has developed the following action plan to identify, respond to, and correct employee performance issues that are caused by domestic violence, pursuant to N.J.S.A. 11A:2-6a, and in accordance with the following guidelines:

- A. Designate an HRO with responsibilities pursuant to this policy.
- B. Recognize that an employee may need an accommodation as the employee may experience temporary difficulty fulfilling job responsibilities.
- C. Provide reasonable accommodations to ensure the employee's safety. Reasonable accommodations may include, but are not limited to, the following: implementation of safety measures; transfer or reassignment; modified work schedule; change in work telephone number or work-station location; assistance in documenting the violence occurring in the workplace; an implemented safety procedure, or other accommodation approved by the employer.
- D. Advise the employee of information concerning the NJ SAFE Act; Family and Medical Leave Act (FMLA); or Family Leave Act (FLA); or Americans with Disabilities Act (ADA); or other reasonable flexible leave options when an employee, or his or her child, parent, spouse, domestic partner, civil union partner, or other relationships as defined in applicable statutes is a victim of

domestic violence.

- E. Commit to adherence to the provisions of the NJ SAFE Act, including that the employer will not retaliate against, terminate, or discipline any employee for reporting information about incidents of domestic violence, as defined in this policy, if the victim provides notice to their Human Resources Office of the status or if the Human Resources Office has reason to believe an employee is a victim of domestic violence.
- F. Advise any employee, who believes he or she has been subjected to adverse action as a result of making a report pursuant to this policy, of the civil right of action under the NJ SAFE ACT. And advise any employee to contact their designated Labor Relations Officer, Conscientious Employees Protection Act (CEPA) Officer and/or Equal Employment Opportunity Officer in the event they believe the adverse action is a violation of their collective bargaining agreement, the Conscientious Employees Protection Act or the New Jersey Law Against Discrimination and corresponding policies.
- G. Employers, their designated HRO, and employees should familiarize themselves with this policy. This policy shall be provided to all employees upon execution and to all new employees upon hiring. Information and resources about domestic violence are encouraged to be placed in visible areas, such as restrooms, cafeterias, breakrooms, and where other resource information is located.

RESOURCES

This policy provides an Appendix listing resources and program information readily available to assist victims of domestic violence. These resources should be provided by the designated HRO to any victim of domestic violence at the time of reporting.

DISTRIBUTION OF POLICY

WHO will be responsible for distributing this policy to employees, volunteers, and other employees identified above.

WHO will be responsible for updating this policy at least annually to reflect circumstances changes in the organization.

WHO will be responsible for monitoring The Civil Service Commission and the Division of Local Government Services in the Department of Community Affairs for modifications thereto, to public employers.

OTHER APPLICABLE REQUIREMENTS

In addition to this policy, the HRO and the public employer's appointing authority must follow all applicable laws, guidelines, standard operating procedures, internal affairs policies, and New Jersey Attorney General Directives and guidelines that impose a duty to report. Additionally, to the extent that

the procedures set forth in this policy conflict with collective bargaining agreements or with the Family Educational Rights and Privacy Act (FERPA), the provisions of the negotiated agreements and the provisions of FERPA control.

POLICY MODIFICATION AND REVIEW

A public employer may seek to modify this policy, to create additional protocols to protect victims of domestic violence but may not modify in a way that reduces or compromises the safeguards and processes set out in this policy.

The Civil Service Commission will review and modify this policy periodically and as needed.

POLICY ENFORCEABILITY

The provisions of this policy are intended to be implemented by the Civil Service Commission. These provisions do not create any promises or rights that may be enforced by any persons or entities.

POLICY INQUIRIES & EFFECTIVE DATE

Any questions concerning the interpretation or implementation of this policy shall be addressed to the Chair/Chief Executive Officer of the Civil Service Commission, or their designee. This policy shall be enforceable upon the HRO's completion of training on this policy.

LAYOFF

Pursuant to N.J.A.C. 4A:8-1.1 the Employer may institute layoff actions for economy, efficiency or other related reasons, but will first consider voluntary alternatives. Demotions for economy, efficiency, or other related reasons shall also be considered as layoff actions.

In accordance with N.J.A.C. 4A:8-1.3, the Employer may implement pre-layoff actions to lessen the possibility, extent or impact of layoffs.

The New Jersey Civil Service Commission shall determine seniority and shall designate lateral, demotional, and special reemployment rights for all career service titles prior to the effective date of the layoff and have such information provided to affected parties.

GRIEVANCE PROCEDURE

A grievance is any formal dispute concerning the interpretation, application and enforcement of any personnel policy or procedure. A grievance submitted by a union employee will be addressed pursuant to grievance procedure set forth in the applicable bargaining unit agreement. A grievance from a non-union employee must be submitted within five (5) working days after arising. Failure to report a grievance within such time period shall be deemed as a waiver of the grievance. In the event of a settlement or ruling that results in a determination of monetary liability, such liability shall not exceed more than thirty (30) working days prior to the date the grievance was first presented in writing.

- Step One: Any employee or group of employees with a grievance shall communicate their grievance to their supervisor or Department Head who will discuss the matter with the Borough Administrator. The supervisor or Department Head will strive to communicate the decision to the employee within five (5) working days.
- Step Two: If the employee is not satisfied with the decision, the employee must submit a written grievance to the Borough Administrator detailing the facts and the relief requested. The decision in Step One will be deemed final if the employee fails to submit a written grievance within five (5) working days of the Step One decision. After consulting with counsel, as appropriate, the Borough Administrator will strive to render a written decision to the employee within five (5) working days after receipt of the written grievance.

The above referenced grievance procedures do not apply to employee complaints made under the Employer's Anti-Harassment and Discrimination Policies.

EMPLOYEE DATING POLICY

The Employer strongly believes that an environment where employees maintain clear boundaries between employee personal and business interactions is most effective for conducting business. Although this policy does not prevent the development of friendships or romantic relationships between coworkers, it does establish very clear boundaries as to how relationships will progress during working hours and within the working environment. Individuals in supervisory relationships or other influential roles are subject to more stringent requirements under this policy due to their status as role models, their access to sensitive information and their ability to influence others.

Procedures.

1. During working time and in working areas, employees are expected to keep personal exchanges limited so that others are not distracted or offended by such exchanges and so that productivity is maintained.
2. During non-working time, such as lunches, breaks and before and after work periods, employees are not precluded from having appropriate personal conversations in non-work areas as long as their conversations and behaviors could in no way be perceived as offensive or uncomfortable to a reasonable person.
3. Employees are strictly prohibited from engaging in physical contact that would in any way be deemed inappropriate by a reasonable person while anywhere on Employer premises, whether during working hours or not.
4. Employees who allow personal relationships with coworkers to affect the working environment will be subject to the appropriate provisions of the Employer disciplinary policy which may include counseling for minor problems. Failure to change behavior and maintain expected work responsibilities is viewed as a serious disciplinary matter.
5. Employee off-duty conduct is generally regarded as private, as long as such conduct does not create problems within the workplace. An exception to this principle, however, is romantic or sexual relationships between supervisors and subordinates.
6. Supervisors, managers, executives or anyone else in sensitive or influential positions must disclose the existence of any relationship with another coworker that has progressed beyond a platonic friendship. Disclosure may be made to the immediate supervisor or the Department Head. This disclosure will enable the Employer to determine whether any conflict of interest exists because of the relative positions of the individuals involved.
7. Where problems or potential risks are identified, the Employer will work with the parties involved to consider options for resolving the problem. The initial solution may be to make sure that the parties involved no longer work together on matters where one is able to influence the other or take action for the other. Matters such as hiring, firing, promotions, performance management, compensation decisions,

financial transactions, etc. are examples of situations that may require reallocation of duties to avoid any actual or perceived reward or disadvantage.

8. In some cases, other measures may be necessary such as transfer to other positions or departments.

9. Refusal of reasonable alternative positions, if available, will be deemed a voluntary resignation.

10. Continued failure to work with the Employer to resolve such a situation in a mutually agreeable fashion may ultimately be deemed insubordination and therefore serve as cause for immediate termination. The organization's disciplinary policy will be consulted to ensure consistency, however, before any such extreme measures are undertaken.

11. The provisions of this policy apply regardless of the sexual orientation of the parties involved.

12. Where doubts exist as to the specific meaning of the terms used above, employees should make judgments on the basis of the overall spirit and intent of this policy.

13. Any employee who feels they have been disadvantaged as a result of this policy, or who believes this policy is not being adhered to, should make their feelings known to the Borough Administrator or other designated individual.

EMPLOYMENT REFERENCES

To ensure that individuals who work for the Employer are well-qualified and have a strong potential to be productive and successful, it is the policy of the Employer to check the employment references of all applicants at the Employer's discretion.

Employees should not, under any circumstances, provide another individual with information regarding a current or former employee. Any employee, including Department Heads, who receives a request for reference information should forward the request to the Borough Administrator. Generally, unless otherwise required by law, the Employer will only confirm employees' name, title, salary, compensation, dates of service, reason for separation, if applicable, and specific educational or medical qualifications required for employment. The Employer's response to a request for reference information shall be communicated in writing only. The Employer does not honor oral requests for employment references.

A current or former employee may also authorize the Employer to release additional information. Unless otherwise required by law, the Employer will only release additional information if the current or former employee provides authorization, in writing.

NEPOTISM

The hiring, promoting, transferring, demoting or reassigning of relatives is prohibited if the employment of such an individual would result in the creation of a prohibited employment relationship.

A prohibited relationship is created when:

1. One relative would have the authority to supervise either directly or from one level above, appoint, remove, discipline, evaluate or otherwise affect the work or employment of another relative.
2. The relative would be responsible for auditing the work of the other.
3. Other circumstances exist which would place the relatives in a situation of actual or reasonably foreseeable conflict between the Employer's interest and their own.

Employees who marry or become related by marriage may continue in their employment if the marriage does not result in the creation of a prohibited relationship. Where the marriage results in the creation of a prohibited relationship, the Employer will explore potential accommodations including the reassignment of one or both employees to available positions for which the employees are qualified. Relative includes spouse, parent, step-parent, child, step-child, sibling, step sibling, half-sibling, father-in-law, mother-in-law, sister-in-law, brother-in-law, grandparent, grandchild, aunt, uncle, niece, nephew, and first cousins.

This policy applies to all employees hired, promoted, transferred, demoted, or reassigned on or after the date of adoption and to all prohibited relationships created on or after the date of adoption.

Applicant Relative Disclosure Form

PERFORMANCE EVALUATION

The Employer recognizes that an employee job performance evaluation system is the basis for assisting in employee growth and development. The Employer requires supervisors to conduct performance appraisals to ensure that:

- (1) each employee receives feedback on objectives, accomplishments, strengths, and areas for improvement;
- (2) each employee receives advice from his or her supervisor on ways to improve performance and has the chance to identify with his or her supervisor areas where greater contribution is possible, or where either feels more development would be beneficial; and
- (3) essential information is recorded concerning strengths and weaknesses of all employees in relation to career development, including potential for advancement and suitability for other positions and training.

The performance evaluation provides the vehicle for a dialogue between the employee and the supervisor and ensures shared expectations of the requirements for the employee's job and the employee's performance in the job. Accordingly, the Employer will use a performance review/evaluation system for all employees.

During performance reviews, supervisors will consider, among others:

- Initiative, dependability and effort
- Knowledge of work
- Attitude and willingness
- Quantity and quality of work
- Disciplinary record
- Attendance and tardiness

A copy of an employee performance evaluation shall be maintained in the employee's personnel file.

POLITICAL ACTIVITY

Employees have exactly the same right as any other citizen to join political organizations and participate in political activities, as long as they maintain a clear separation between their official responsibilities and their political affiliations. In accordance with State law, employees are prohibited from engaging in political activities while performing their public duties and from using the Employer's time, supplies or equipment in any political activity. Political activities include, but are not limited to, advocating the election or appointment of any candidate for office, verbally or otherwise, and soliciting funds for campaigns or campaign materials.

Additionally, State law precludes employees from directly or indirectly using their position to control or affect the political action of another person. In accordance with the Hatch Act and Federal regulations, an employee whose principal employment is with a program financed in whole or in part by Federal funds or loans shall not:

- be a candidate for public office in a partisan election. (This provision does not apply to the elected head of an executive department or an individual holding elective office, where that office is the sole employment connection to federally funded programs.)
- use his/her official authority to influence, to interfere with or affect election results or nominations for office.
- directly or indirectly coerce contributions from any employee to support a political party or candidate. See The Hatch Act, 5 U.S.C. § 1501 et seq.

Violations of either State or Federal laws are serious matters and such violations should not be taken lightly. Any employee engaging in such political activities during working hours will be subject to disciplinary action up to and including termination of employment. Employees who engage in political activities during their non-working hours must not represent themselves as spokespersons for the Employer. Employees should report any violation of this policy to their supervisor or Department Head.

PROTECTION AND SAFE TREATMENT OF MINORS

See separate Borough of Waldwick Policy Addressing the Protection and Safe Treatment of Minors and Frequently Asked Questions.

SAFETY POLICY

The Employer endeavors to provide a safe and healthy work environment for all employees and shall comply with the requirements of the Public Employees Occupational Safety and Health Act (“PEOSHA”). The Employer is equally concerned about the safety of the public.

Consistent with this policy, employees will receive periodic safety training and will be provided with appropriate safety equipment. Employees are responsible for observing safety rules and using available safety devices including personal protective equipment. Failure to do so constitutes grounds for disciplinary action.

Any occupational or unsafe public condition, practice, procedure or act must be immediately reported to the supervisor or Department Head. Any on-the-job accident or accident involving the Employer’s facilities, equipment, or motor vehicles must also be immediately reported to the supervisor or Department Head and the Borough Administrator. Failure to do so constitutes grounds for disciplinary action. Employees are encouraged to discuss safety concerns with supervisory personnel.

SECURITY POLICY

The Employer makes every effort to provide for employees' safety and security while at work. The Employer, however, does not accept responsibility for the protection of employees' personal property. The Employer is not liable for loss or damage to personal property.

The Employer maintains a work environment that is free of illegal drugs, alcohol, unauthorized firearms, explosives, or other improper materials. To this end, the Employer prohibits the possession, transfer, sale, or use of such materials on its premises. The Employer requires the cooperation of all employees in administering this policy. Desks, lockers, other storage devices, and Employer vehicles may be provided for the convenience of employees, but remain the sole property of the Employer. Accordingly, they, as well as any articles found within them, can be inspected by any agent or representative of the Employer at any time, either with or without prior notice. The Employer may conduct video surveillance of Employer property to, among other things, identify safety concerns, detect theft, and discourage or prevent acts of harassment and workplace violence. Additionally, the Employer may monitor employee e-mails.

Security is everyone's responsibility. If any employee sees or suspects that an individual is breaching security, it is the employee's responsibility to notify his or her supervisor or Department Head immediately. In the event a serious incident occurs, employees must report it to their Department Head promptly. The following are examples of serious incidents that should be reported immediately:

1. Any accident which results in the injury of a third party while on the premises.
2. Any incident in which physical force is either used by or against an employee.
3. Any incident which involves a crime, or an attempt to commit a crime, such as robbery or the theft of money.
4. Any incident in which a serious unfavorable reaction from the public might be expected.
5. The loss of Employer keys.
6. Any other incident, which an employee believes is of a nature that it should be brought to the attention of the Department Head without delay.

Employees are encouraged to make any reports, in writing, so that they may be properly addressed by the Employer.

STATE RESIDENCY REQUIREMENT

Every employee shall have his/her principal place of residence in the State of New Jersey. New hires shall have one year from the time of taking office, employment or position to satisfy the requirement of principal residency. Failure to satisfy this requirement shall render the employee unqualified for holding office, employment or position with the Employer.

If, however, an employee holds an office, employment, or position with the Employer as of Sept. 1, of 2011 (the effective date of P.L.2011, c.70), but does not have his or her principal residence in this State on that effective date, he/shall will not be subject to the residency requirement while that employee continues to hold office, employment, or position without a break in public service of greater than seven (7) days.

POLICY FOR USE OF EMPLOYER VEHICLES (NON-LAW ENFORCEMENT)

The Employer owns and maintains a fleet of vehicles ("Employer Vehicles") that are used in furtherance of the business of the Employer. The following policy governs the use of all Employer Vehicles (with the exception of vehicles utilized for law enforcement purposes), and supersedes all other vehicle policies previously in effect. Any employee violating the provisions contained herein will be subject to disciplinary action, up to and including termination, in accordance with applicable laws and regulations. Violations of this policy may also result in the denial of indemnification and/or defense by the Employer to the employee in any civil or criminal matter brought in any Court arising from improper use of an Employer vehicle. The Employer also expressly reserves its right to seek indemnification and/or contribution from employees (including their personal automobile insurance policies) found to have acted in violation of this policy to the maximum extent permitted by law.

Driving Privileges and Licensure. The use of an Employer Vehicle by an employee is subject to the approval and discretion of the Borough Administrator. Any employee operating an Employer Vehicle must have, in his or her possession, a valid driver's license issued by a state regulatory body within the United States. Licenses issued by any territory or possession of the United States, the District of Columbia, or any international agency (including any province of the Dominion of Canada) must be expressly approved by the Employer's insurance carrier before an employee will be permitted to operate an Employer Vehicle.

A. Employees are required to file a copy of a valid driver's license with the Employer prior to the use of an Employer Vehicle.

1. Upon request, an employee must provide a copy of their driver's license or other required documents within twenty-four (24) hours of said request.
2. Employees shall inform the Employer within twenty-four (24) hours of any changes in the status of their driving privileges.
3. Failure to comply with the requirements of this section will result in an immediate suspension of an employee's privilege to operate an Employer vehicle and may also result in the denial of indemnification and/or defense by the Employer to the employee in any civil or criminal matter brought in any Court arising from the use of an Employer vehicle while said employee's driving privileges were suspended or revoked.

B. The Employer reserves the right to obtain a driving abstract record from the New Jersey Motor Vehicle Service Commission or other regulatory and law enforcement agencies.

1. The Employer reserves the right to suspend an employee's Employer driving privileges if the Employer deems necessary based on the employee's driving record.
2. The Employer shall utilize information obtained pursuant to this section only for the purposes of furthering the objectives of this Policy and for no other reason, and will not reveal personal or other

information contained in an employee's driving abstract record to any party except where required by applicable law.

C. The Employer occasionally offers safe driving courses and reserves the right to compel employee attendance at such courses.

D. If requested by the Borough Administrator, the employee must agree to consent to a simulated road test to determine his/her fitness to safely operate a vehicle.

E. In the event that the employee is under the influence of any medication (prescribed or over-the-counter) that might impair his/her ability to safely operate a vehicle, he/she must refrain from driving until he/she notifies the Employer and await clearance to resume driving.

Official Use Only. The use of Employer Vehicles is restricted to official Employer business only. Employees shall not be permitted to use Employer vehicles for travel or activity unrelated to Employer business. Likewise, no supervisor may authorize such use or any use of an Employer Vehicle for other than Employer business or use which is otherwise inconsistent with this policy.

Employer Vehicles assigned to employees under this policy are to be operated only by the employee while acting within the scope of their employment. No employee shall authorize or permit any other non-Employer employee, including but not limited to family members of the employee, to operate or ride as a passenger in an assigned Employer Vehicle, unless said passengers are assisting in the official business of the Employer.

Location of Vehicles. Employees who are assigned the regular use of an Employer Vehicle for official business may, by resolution of the Mayor and Council, take the Employer Vehicle home at night and keep said vehicle at home while off duty.

If the employee will be absent from duty for more than two (2) working days, or more than five (5) consecutive days, including weekends and holidays, he/she must surrender the Employer vehicle to his/her direct supervisor unless directed otherwise. An employee storing the vehicle at their residence must provide safe parking for the vehicle at all times.

Commuting. The use of an Employer Vehicle for driving to and from work is voluntary and does not entitle the employee to compensation or pay while engaged in that activity.

Accidents and Incidents. Prior to operation of any Employer vehicle, employees must consult their Department Head as to the appropriate steps to take if they become involved in an accident (filling out accident reports, obtaining witness names, etc.)

A. In the event of an incident or accident involving the use of an Employer Vehicle, employees must immediately contact their supervisor and/or Department Head. All required reports and documentation must be submitted to the Borough Administrator within two (2) business days of receipt.

B. An employee may be required to submit to an alcohol or drug screening test following an accident or incident if there is a reasonable suspicion to believe that the employee's use of drugs or alcohol may have contributed to the cause of the accident or as otherwise required by law or other policy of the Employer.

Citations and Violations. Operators of Employer Vehicles are expected to follow all laws, regulations and rules prescribed by the Motor Vehicle Commission. Drivers are responsible for paying any moving violation tickets and MUST notify the Employer of said violations within forty-eight (48) hours of receipt of said ticket (regardless of the employee's decision to contest such ticket in municipal court). Drivers are responsible for paying all parking tickets incurred. The Employer should be notified of the receipt of a parking ticket within 48 hours of receipt of said ticket.

Drivers are responsible for all "Notice of Delinquent Toll Payment Violations" (including but not limited to EZ-Pass). Upon having been notified of said violation, either by direct mail or notice from the Employer, an employee shall, within ten (10) business days of such notice, provide acceptable proof to the Employer that the outstanding toll and any related fees have been paid.

General Policies and Procedures. Employees authorized to use an Employer Vehicle for official business must adhere to the policies and procedures set forth in this Policy. Failure to comply with the provisions below will result in a loss of privileges:

A. Drivers must ensure that all required documents (driver's license, LD. badge/card, registration, insurance card) are in their possession while operating the vehicle. Vehicle registration and insurance cards should be kept in a locked compartment of the vehicle when not in use.

B. Employees assigned exclusive use of an Employer Vehicle are responsible for scheduling all repairs and manufacturer recommended maintenance with the Employer, in order to maintain all manufacturers' warranties (including routine oil changes).

C. Vehicles are to be kept clean at all times, and should be washed and vacuumed regularly (unless prohibited by the New Jersey Department of Environmental Protection or other similar regulatory body).

D. No smoking is allowed in Employer Vehicles at any time.

E. In accordance with N.J.S.A. 39:4-97.3 and any other applicable statutes and regulations, the use of hand-held phones or electronic devices (BlackBerry, navigation systems, etc...) while driving Employer Vehicles is prohibited. This prohibition includes the sending or reading of e-mails, text messages and other similar communications.

F. All occupants must wear seat belts at all times when the vehicle is in use and observe all road safe rules and regulations, such as "Wipers On, Lights On."

G. Employees are expected to operate vehicles in a safe and courteous manner at all times and are expressly reminded to avoid tailgating or other unsafe practices.

H. Employees are reminded of the risks inherent from driving while drowsy. In the event that a driver becomes tired while operating a vehicle, they should pull off the road and seek appropriate assistance.

Violation of this policy may result in disciplinary action up to and including the suspension of the employee's privilege to operate an Employer Vehicle and/or termination.

TRANSITIONAL DUTY POLICY

The Borough may assign transitional duty to employees with temporary disabilities. Each circumstance will be evaluated based on the restrictions imposed and the work available. Transitional duty is not guaranteed. **Transitional duty is temporary in nature.**

An employee requesting transitional duty shall notify the Department Head as soon as it is known the temporarily disabled employee is able to return to work with restrictions. With workers' compensation cases, the managed care provider representative will contact the Borough Administrator to confirm whether transitional duty is available.

Transitional duty will only be assigned if the employee is likely to return to full duty after the transitional duty period. The Borough Administrator will consult with the Department Head to determine if there is any meaningful work that can be performed consistent with the restrictions. Transitional duty assignments may be in any department and not just the employee's department. The Borough Administrator will make the final decision as to whether it is in the best interest of the Borough to approve a transitional duty request. The Borough reserves the right to change or terminate the transitional duty assignment at any time.

Employees may not refuse transitional duty assignments that are recommended by the workers' compensation physician. In such cases, employees who fail to report to work as directed will be subject to disciplinary action.

Employees will be paid in accordance with applicable policies, salary ordinances and collective bargaining agreements while on transitional duty.

Employees on transitional duty are prohibited from engaging in any outside employment or volunteer activities, unless they receive prior written approval from their Department Head.

If transitional duty is approved, the workers' compensation physician must keep the Borough Administrator informed of the employee's medical progress. If the injury or illness does not involve a workers' compensation claim, the employee must keep the Borough Administrator informed of his/her ability to return to full duty, supported by medical documentation.

Employees assigned to transitional duty will be allotted time off to attend medical or physical therapy appointments. If the injury or illness does not involve a workers' compensation claim, the employee will be required to use his/her paid time off to attend medical or physical therapy appointments that are scheduled during the employee's work hours. Employees are requested to schedule appointments during times which will cause the least disruption to Borough operations. Borough vehicles are not to be used for transportation to and from appointments, unless approved by the Borough Administrator.

Transitional duty is generally for 45 days. If at the end of transitional duty the employee is not able to return to work without restrictions, the Borough reserves the right, in its sole discretion, to extend the transitional duty. If it is determined by the workers' compensation doctor that the employee has reached maximum medical improvement ("MMI"), the Borough will discuss with the employee his/her options.

If the injury or illness does not involve a workers' compensation claim, the Borough reserves the right to have the employee evaluated by a Borough selected physician before extending transitional duty.

This policy does not affect an employee's rights under the Americans with Disabilities Act, the Family and Medical Leave Act, the Fair Labor Standards Act, the Contagious or Life Threatening Illnesses Policy or other Federal or State law.

- (f) The Borough of Waldwick shall require that each driver who is notified of selection for random alcohol and/or controlled substances testing proceeds to the test site immediately; provided, however, that if the driver is performing a safety-sensitive function, other than driving a commercial motor vehicle, at the time of notification, the Borough of Waldwick shall instead ensure that the driver ceases to perform the safety-sensitive function and proceeds to the testing site as soon as possible.
- (g) A driver shall only be tested for alcohol while the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing such functions.
- (h) If a given driver is subject to random alcohol or controlled substances testing under the random alcohol or controlled substances testing rules of more than one DOT agency for the Borough of Waldwick, the driver shall be subject to random alcohol and/or controlled substances testing at the annual percentage rate established for the calendar year by the DOT agency regulating more than 50 percent of the driver's function.

(i) If the Borough of Waldwick is required to conduct random alcohol or controlled substances testing under the alcohol or controlled substances testing rules of more than one DOT agency, the Borough of Waldwick may--

(1) Establish separate pools for random selection, with each pool containing the DOT-covered employees who are subject to testing at the same required minimum annual percentage rate; or

(2) Randomly select such employees for testing at the highest minimum annual percentage rate established for the calendar year by any DOT agency to which the Borough of Waldwick is subject.

REASONABLE SUSPICION 382.307

(a) The Borough of Waldwick shall require a driver to submit to an alcohol test when the Borough of Waldwick has reasonable suspicion to believe that the driver has violated the prohibitions of Section B of this policy concerning alcohol. The Borough of Waldwick's determination that reasonable suspicion exists to require the driver to undergo an alcohol test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the driver.

(b) The Borough of Waldwick shall require a driver to submit to a controlled substances test when there is reasonable suspicion to believe that the driver has violated the prohibitions of Section B of this policy concerning controlled substances. The Borough of Waldwick's determination that reasonable suspicion exists to require the driver to undergo a controlled substances test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the driver. The observations may include indications of the chronic and withdrawal effects of controlled substances.

(c) The required observations for alcohol and/or controlled substances reasonable suspicion testing shall be made by a supervisor or an official of the Borough of Waldwick who is trained in accordance with 382.603. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not conduct the alcohol test of the driver. *If the employee insists on driving, the proper local enforcement authority should be notified that an employee, who we believe may be under the influence of a drug or alcohol, is leaving Borough premises driving a motor vehicle.*

(d) Alcohol testing is authorized by DOT/FMCSA regulations only if the observations required by paragraph (a) of this section are made during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the Federal regulation. A driver may be directed by the Borough of Waldwick to only undergo reasonable suspicion alcohol testing while the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing such functions.

(e) (1) If an alcohol test required by DOT/FMCSA regulations is not administered within two (2) hours following the determination under paragraph (a) of this section, the Borough of Waldwick shall prepare and maintain on file a record stating the reasons the alcohol test was not promptly administered. If an alcohol test required by DOT/FMCSA regulations is not administered within eight (8) hours following the determination under paragraph (a) of this section, the Borough of Waldwick shall cease attempts to administer an alcohol test and shall state in the record the reasons for not administering the test.

(2) Notwithstanding the absence of a reasonable suspicion alcohol test under DOT/FMCSA regulations, no driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse, nor shall the Borough of Waldwick permit the driver to perform or continue to perform safety-sensitive functions, until:

(i) An alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or

(ii) Twenty four (24) hours have elapsed following the determination under paragraph (a) of this section that there is reasonable suspicion to believe that the driver has violated the prohibitions in this policy concerning the use of alcohol.

(3) Except as provided in paragraph (e)(2) of this section, the Borough of Waldwick shall take no action under this policy against a driver based solely on the driver's behavior and appearance, with respect to alcohol use, in the absence of an alcohol test. This does not prohibit the Borough of Waldwick with independent authority of DOT/FMCSA regulations from taking any action otherwise consistent with law.

(f) A written record shall be made of the observations leading to an alcohol or controlled substances reasonable suspicion test, and signed by the supervisor or an official of the Borough of Waldwick who made the observations, with 24 hours of the observed behavior or before the results of the alcohol or controlled substances tests are released, whichever is earlier.

RETURN-TO-DUTY 382.309

The requirements for return-to-duty testing must be performed in accordance with 49 CFR part 40, Subpart O, including that such tests will be collected under direct observation.

FOLLOW-UP 382.311

The driver is not required to provide notification to the employer that administered the test or documented the circumstances that gave rise to the violation. The notification must be made before the end of the business day following the day the employee received notice of the violation, or prior to performing any safety-sensitive function, whichever comes first.

SECTION E - CONSEQUENCES FOR DRIVERS ENGAGING IN SUBSTANCE USE-RELATED CONDUCT

REMOVAL FROM SAFETY-SENSITIVE FUNCTION 382.501

(a) Except as provided in Section F of this policy, no driver shall perform safety-sensitive functions, including driving a commercial motor vehicle, if the driver has engaged in conduct prohibited by Section B of this policy or an alcohol or controlled substances rule of another DOT agency.

(b) The Borough of Waldwick shall not permit any driver to perform safety-sensitive functions, including driving a commercial motor vehicle, if the Borough of Waldwick has determined that the driver has violated this policy.

REQUIRED EVALUATION AND TESTING 382.503

No driver who has engaged in conduct prohibited by Section B of this policy shall perform safety-sensitive functions, including driving a commercial motor vehicle, unless the driver has met the requirements of 49 CFR part 40, Subpart O. The Borough of Waldwick shall not permit a driver who has engaged in conduct prohibited by Section B of this policy to perform safety-sensitive functions, including driving a commercial motor vehicle, unless the driver has met the requirements of 49 CFR part 40, Subpart O.

OTHER ALCOHOL-RELATED CONDUCT 382.505

(b) Except as provided in paragraph (a) of this section, the Borough of Waldwick shall not take any action under this policy against a driver based solely on test results showing an alcohol concentration less than 0.04. This does not prohibit the Borough of Waldwick with authority independent of this policy from taking any action otherwise consistent with law.

The use or possession of alcoholic beverages while on the Borough of Waldwick's property, or in any of the Borough of Waldwick's vehicle, or on the Borough of Waldwick's time, including breaks or lunch, paid or unpaid, on any shift, is strictly prohibited.

Employees who are not at work, but who could be called out are expected to be fit for duty upon reporting for work. If an employee is under the influence of alcohol, the employee must notify the Borough of Waldwick's personnel when contacted. Failure to advise the Borough of Waldwick of alcohol consumption may result in disciplinary action. If a covered employee is perceived to be under the influence of alcohol when reporting to work after being called in, the employee's supervisor must be notified.

The supervisor must objectively observe the employee's behavior and if possible, substantiate the behavior with a second supervisor. Supervisors must have received training in alcohol and/or substance abuse detection. The supervisor must follow procedures outlined in the policy. If a determination to test for reasonable suspicion is made, the employee is immediately removed from safety-sensitive duties and the DER is contacted.

SECTION G – REQUIREMENTS AND PROCEDURES FOR IMPLEMENTATION OF THE COMMERCIAL DRIVER’S LICENSE DRUG AND ALCOHOL CLEARINGHOUSE

The purpose of the Borough of Waldwick Policy update in advance of the Compliance Date of January 6, 2020 as mandated by § 382.601: 1) is part of the Borough’s efforts to meet its *Employer Obligation to Promulgate a Policy on the Misuse of Alcohol and Use of Controlled Substance*; 2) to publish educational materials to drivers about the Clearinghouse and other regulatory changes contained in the Final Rule issued December 5, 2016; and 3) to notify drivers that drug and alcohol test information will be reported to the Clearinghouse beginning January 6, 2020 so as to encourage drivers to seek substance abuse treatment if they currently have a problem with the misuse of alcohol and/or use of controlled substance(s).

DRUG AND ALCOHOL CLEARINGHOUSE 382.701

(a) Pre-employment query required.

(1) Employers must not employ a driver subject to controlled substances and alcohol testing to perform a safety-sensitive function without first conducting a pre-employment query of the Clearinghouse to obtain information about whether the driver has a verified positive, adulterated, or substituted controlled substances test result; has an alcohol confirmation test with a concentration of 0.04 or higher; has refused to submit to a test in violation of § 382.211; or that an employer has reported actual knowledge, as defined at § 382.107, that the driver used alcohol on duty in violation of § 382.205, used alcohol before duty in violation of § 382.207, used alcohol following an accident in violation of § 382.209, or used a controlled substance, in violation of § 382.213.

(2) The Borough of Waldwick must conduct a full query under this section, which releases information in the Clearinghouse to an employer and requires that the individual driver give specific consent.

(b) Annual query required.

(1) The Borough of Waldwick must conduct a query of the Clearinghouse at least once per year for information for all employees subject to controlled substance and alcohol testing under 382, to determine whether information exists in the Clearinghouse about those employees.

(2) In lieu of a full query, as described in paragraph (a)(2) of 382.701, the Borough of Waldwick may obtain the individual driver’s consent to conduct a limited query to satisfy the annual query requirement in paragraph (b)(1) of this section. The limited query will tell the Borough of Waldwick whether there is information about the individual driver in the Clearinghouse, but will not release that information to the Borough of Waldwick. The individual driver may give consent to conduct limited queries that is effective for more than one year.

(3) If the limited query shows that information exists in the Clearinghouse about the individual driver, the employer must conduct a full query, in accordance with paragraph (a)(2) of 382.701, within 24 hours of conducting the limited query. If the employer fails to conduct a full query within 24 hours, the employer

must not allow the driver to continue to perform any safety-sensitive function until the employer conducts the full query and the results confirm that the driver's Clearinghouse record contains no prohibitions as defined in paragraph (d) of 382.701.

(c) *Employer notification.* If any information described in paragraph (a) of 382.701 is entered into the Clearinghouse about a driver during the 30-day period immediately following an employer conducting a query of that driver's records, FMCSA will notify the employer.
